

Wishing You a Happy Holiday Season!

WARMEST HOLIDAY WISHES FROM OUR FORT BEND EDUCATION FOUNDATION TEAM!
 May your season be filled with peace, joy, and well-earned rest. We're grateful for your continued support and partnership and look forward to working with you in the coming year!

FILL THE GAP, FUEL THE FUTURE!

BECAUSE EVERY STUDENT DESERVES THE ESSENTIALS TO SUCCEED.

Many families in our district face hardships and need help with essentials like food, clothing, toiletries, and school supplies. In September 2025, FBISD's Collaborative Communities Shared Dreams Program provided 6,987 instances of support—up from 1,919 in September 2024, a 264% increase. The Fort Bend Education Foundation helps enrich and enhance the quality of education for all FBISD students by supporting these efforts.

"Fill the Gap" while families are in need and "Fuel the Future" for FBISD students. Every dollar you donate helps provide essential resources and hope, ensuring students can thrive academically and personally.

DONATE
♥

With your generous donations, you can help boost students' self-esteem, allowing them to remain focused in school. Please donate today at <https://bit.ly/4pmOzrD>. Our students need you.

INVEST IN OUR STUDENTS, EMPOWER OUR TEACHERS!

FBEF ANNUAL GIVING CAMPAIGN – 2025

Scan the QR Code to donate.

Our schools are stronger because of people like you! Every gift – large or small – helps the Fort Bend Education Foundation provide vital support that directly enriches and enhances the quality of education for all FBISD students through our Grants to Teachers and Schools programs.

- Your generosity helps fund:
- Grants for teachers and schools
 - New Teacher Gifts
 - Professional Development opportunities for staff
 - And pass-through grants

When you give, you're not only making a donation – you're making a difference!

Sponsorship Opportunities available for FBEF "Hollywood Nights" Gala!

Planning continues for the Fort Bend Education Foundation's "Hollywood Nights: Where Glamour Meets Giving Under the Spotlight" Gala! The event is Saturday, March 7 at the Houston Marriott Sugar Land, beginning at 6:00PM! If you are interested in becoming a sponsor of this exciting event, please visit <https://bit.ly/2026Gala> for details on sponsor packets.

FBEF Annual Sugar Shindig a SWEET Success!

Thanks to YOU, we pulled off another successful Sugar Shindig! This year's event netted an estimated \$58,000 to support our Grants to Teachers and Schools programs!

We appreciate all of the event sponsors, donors, ticket-buyers, volunteers and everyone who supported the event! We could not have done it without you!

GRANTS IN ACTION

*spotlighting the Reese Career and Technical Center,
Hightower High School and Madden Elementary School*

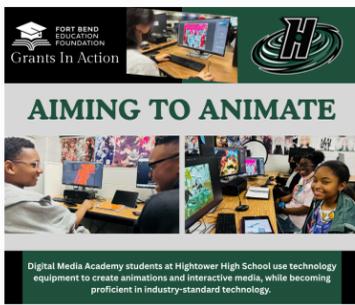

Reese CTC's "Reading Keeps Us Human: Keep Students Reading!" Grant

English Language Arts students at the Reese Career and Technical Center are making connections to their personal experiences through reading, thanks to teacher Dana Moody.

With her \$1,379 teacher grant, Moody purchased sets of graphic novels, classic literature, self-discovery and how-to books for students to enjoy.

Students have taken a "Hero's Journey" along with Beowulf to learn how good character is developed. They are also learning valuable presentation skills and building community by discussing classics, like *The Lord of the Rings*, with their classmates.

Hightower High School's "Aiming to Animate" Grant

Digital Media Academy students at Hightower High School are continuing to benefit from a \$19,909 Founders Grant awarded to the school to support its "Aiming to Animate" project.

Given the grant, academy teachers purchased HP Desktop workstations, 24-inch computer displays, ports, keyboards and other technological equipment to support student learning.

The students create animations and interactive media, while becoming proficient in industry-standard technology. With the skills they are gaining, the academy students will be prepared for college programs or entry-level positions in digital media.

Madden Elementary's "Does it Stick?" Grant

Kindergarten students at Madden Elementary School are enjoying self-exploration and hands-on learning when using a magnetic science tool to answer the question, "Does it Stick?"

Given a \$1,479 team grant, the teachers purchased Magnet Discovery Boards as an added resource to promote learning during the Forces and Motion Science Unit.

The students view the board of objects – such as nails, rocks and buttons – to predict which will stick to the magnet. The students then move the attached magnet over the board to learn if their predictions are correct. Students enjoy using the tool while exploring the principles of magnetism!

FBEF PARTNER EVENTS AND SERVICES

SUGAR LAND HOLIDAY LIGHTS
