View exciting excursions, tickets to concerts and sporting events, and more! SCAN THE QR CODE to view items. Get more FBEF Gala details at <https://bit.ly/2026Gala>.

FILL THE GAP, FUEL THE FUTURE!

BECAUSE EVERY STUDENT DESERVES THE ESSENTIALS TO SUCCEED.

Many families in our district face hardships and need help with essentials like food, clothing, toiletries, and school supplies. In September 2025, FBISD's Collaborative Communities Shared Dreams Program provided 6,987 instances of support—up from 1,919 in September 2024, a 264% increase. The Fort Bend Education Foundation helps enrich and enhance the quality of education for all FBISD students by supporting these efforts.

"Fill the Gap" while families are in need and "Fuel the Future" for FBISD students. Every dollar you donate helps provide essential resources and hope, ensuring students can thrive academically and personally.

DONATE ❤

With your generous donations, you can help boost students' self-esteem, allowing them to remain focused in school. Please donate today at <https://bit.ly/4pm0zrD>. Our students need you.

GRANTS IN ACTION

Spotlighting Elkins High School and Dulles Middle School

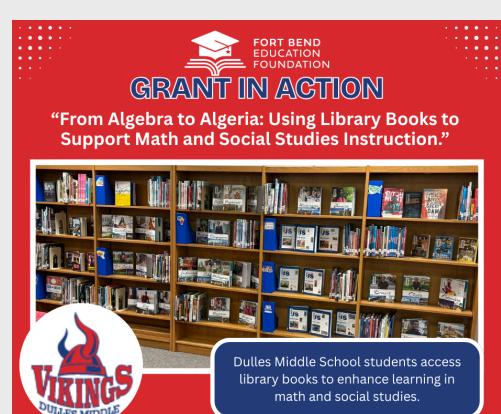

GRANT IN ACTION

The Sound of Success: Granting Access to Tap Shoes for Aspiring Dancers

Elkins High School students are bringing the rhythm and sound as they explore the art of tap dance!

Elkins High School Dance students are bringing the rhythm and sound as they tap their way to success! To support her grant, "**The Sound of Success: Granting Access to Tap Shoes for Aspiring Dancers**," Head Dance Director Susan Price used her \$1,500 FBEF grant to purchase 38 pairs of tap shoes for students. When they step into the shoes, the students can smoothly create complex rhythms and music, releasing their artistic expression! Through tap, not only are students exploring the art of dance, but they are also supporting their cardiovascular fitness, toning and strengthening muscles, improving balance, coordination and flexibility and supporting mental sharpness through memory exercises.

GRANT IN ACTION

"From Algebra to Algeria: Using Library Books to Support Math and Social Studies Instruction."

Dulles Middle School students access library books to enhance learning in math and social studies.

To support students' love of reading and reinforce classroom learning, **Dulles Middle School** librarian Melanie Hodges received a \$4,735 school site grant to fund her project, "**From Algebra to Algeria: Using library books to support Math and Social Studies Instruction**." She purchased new library books that serve as powerhouses for math and social studies learning, as they support TEKS and add context and engagement that reinforces classroom learning. Students can read about the history behind math concepts and ideas, gain real-world connections as they learn how math shows up in everyday life, expand their civic and global awareness and receive narratives connecting them to current societal issues – all while

FBEF PARTNER EVENTS AND SERVICES

AP AP TUTORS TUTORING FOR MIDDLE AND HIGH SCHOOL
