

## What is a School-Parent Compact?

The Parent Compact explains how Willowridge High School and parents and guardians can work together to help students achieve the State of Texas' high standards and become the portrait of a Fort Bend ISD graduate.

It details how parents, the school staff, and students will each have a responsibility in improving the student's academic achievement.

## Jointly Developed

The Compact is discussed and amended as a result of focus meetings with the Parent Educator and a group of parents.

The Willowridge Compact describes the quality of the education the student will receive, how the school will communicate with parents and students and how teachers will help students to be successful. It explains what parents and students can do at home to support their child's learning. These items are also outlined in the school's Campus Improvement Plan.

## Building Partnerships

Willowridge is committed to providing families with adequate resources, information, and opportunities for learning to make it easier for parents to assist their students. Our Parent Center, located in Room H109, offers classes at various times throughout the day. Online classes are also available. Classes and materials are free.

P-TECH stands for Pathways in Technology Early College. Our P-TECH students take core courses that deliver rigorous instruction through our AAC, AP, Dual Credit, and On-Ramps advanced academic course offerings. P-TECH students are also enrolled in our Career and Technical courses in which they develop the technical and workplace skills that employers need. The WHS partnership with Houston Community College allows our students to develop the specific skills needed for careers in high-growth industries. The AAS degrees are “career specific” programs that prepare students for immediate employment post-graduation.

## Advanced Academic Opportunities
