About TASFA

- With your parents, go to fafsa.gov to create FSA ID's and file your FAFSA so you'll be eligible for financial aid for college.
- A few days after filing, you should get an email from noreply@studentaid.gov. If it says your FAFSA has errors, correct them and resubmit.
- If your FAFSA processed successfully, upload a PDF or screenshot of your "Success" email.

Students that are classified as a Texas Resident who cannot apply for federal financial aid using the Free Application for Federal Student Aid (FAFSA) are encouraged to complete the Texas Application for State Financial Aid (TASFA). The TASFA is used to collect information to help determine eligibility for state financial aid.
