

FBISD Requirements for Academic

Excellence Award

A student must earn a 90 or above grade point average from the previous school year with no semester grade below a 75 (from the previous school year).

The grade point average must be 90 and above and is not rounded up. For example, a grade point average from the previous school year of 89.75 is not rounded up to 90 and would not qualify for the Academic Excellence Award.

Any senior who did not earn an Academic Excellence Award for the 11th grade year may be eligible for this award by earning a 90 GPA or above with no semester grade below 75 for the fall semester of his/her senior year. In this case, the award will be presented at the Spring Senior Award Program.
