Who is eligible to take a course on a GPA-Exempt basis?

Beginning with the graduating Class of 2017, this option is available to juniors and seniors who wish to take courses from the approved list that are beyond the requirements for graduation. To qualify for the GPA exemption for the third or fourth year course, the students must have an overall B average in the prerequisite courses for the 3rd/4th year course for which he/she is seeking a waiver. He/she must also have already taken the first two years of this particular course (exception: Cheerleading and Dance Team) at the high school campus. All students must meet the prerequisites of each course and have parent, teacher, and counselor approval.

- Full year courses will be exempted for 1.0 credit only.
- Junior students may receive a GPA exemption for only one course during the junior year.
- Senior students who have not used any of the GPA exemptions during their junior year would qualify for two exemptions during their senior year as long as prerequisites are met.
- The option of securing exemptions for two classes in the same year is only available to seniors for whom no GPA exemptions have been used prior to the senior year.

NOTE: Students may take only two (2) full-year courses or four (4) half-year courses on a GPA-Exempt basis.

Furthermore, numerical grades will also be used in determining: academic excellence; qualifying criteria used in the selection of students for various positions such as Dance Team officers, class officers, exam exemptions, etc.; and eligibility for academic awards, including admission to organizations such as the National Honor Society, etc.

How do students enroll in a GPA-Exempt course?

1. Complete the appropriate form.
2. Have the form signed by the parent and teacher.
3. Return the form to the counselor no later than the end of the second (2nd) week of each semester. At this time, if all criteria are met, it will be approved and a course change will be made to reflect enrollment in a GPA-Exempt course.
4. Once a student signs up to take a course as GPA-exempt, the decision cannot be changed.
5. Students enrolled in full-year courses do not need to reapply during the second semester.

No. Each year will stand alone.

What if a student drops the exempt course?

Students are expected to complete a full year course for which a GPA exemption has been approved. In extenuating circumstances where a student is approved to drop a GPA-exempt course after the first semester is completed, the student receives the first semester credit as GPA-exempt. However, the remaining 0.5 GPA exemption cannot be applied to another course during the second semester or the following year. The requested 1.0 GPA exemption is considered to be fully expended.

If a student drops a full-year course for which a GPA exemption has been approved during the first semester, per established guidelines, the student enters a new course with no GPA exemption. In this case, the GPA exemption is available for use the following semester/year, if requested and approved according to established guidelines.

If a one-season athlete does not have an athletic program to enter in the Spring semester of their senior year, may they exempt only one semester of the course?

Yes, in some cases the courses eligible for exemption are semester courses.

When do exemption requests have to be turned into the counselor?

Exemption requests, with all signatures affixed, have to be turned into the counselor by the end of the second (2nd) week of each semester.

Grade Point Scale
 (Classes of 2017, 2018)

Grade	Pre AP/AP/Honors/Beyond AP	All Other Courses
A	6	5
B	5	4
C	4	3
D	3	2
F	0	0

The NEW 100 Point GPA Scale

(Class of 2019 and Beyond)

The new GPA system is referred to as a 100 Point Scale. With this system, the 100 point scale is calculated by adding all of the semester averages earned by a student and dividing by semesters attempted. The 100 point scale can be converted to the Four Point Scale which is the most common scale for college admissions, NCAA and scholarship applications. In addition, the weighted grade point system was also revised beginning with the Class of 2019. The changes are reflected in the chart:

Advanced Placement (AP)/Beyond AP Courses	Pre AP, Honors Courses, Dual Credit Courses	On Level Courses
Receives 10 point weight	Receives 5 point weight	Non-weighted

Example of a high school student's grades:

Physics (on level) 86 = 86 points
 English III AP 94 = 104 points
 US History Dual Credit 84 = 89 points
 Athletics 100 = 100 points
 Choir 100 = 100 points
 Pre-Cal Pre-AP 86 = 91
 Journalism 94 = 94
 Total points = 664 points divided by 7 = 94.8571429

Senior Class Rank

All courses recorded on the Academic Achievement Record (high school transcript) shall count toward Grade Point Average (GPA) and Rank in Class (RIC), using the grades received.

1. RIC is determined by the grade point average (GPA) of all high school credit courses taken through the end of the eighth semester. Rank for honor graduation status is determined by the GPA through the end of the third 9 weeks of the senior year.
2. Grade points for other courses taken for high school credit outside of the regular school day or earned through advanced placement exams will be determined according to District guidelines.
3. To be eligible for valedictorian or salutatorian honors, students must be enrolled for their sixth and seventh semesters in a District high school, and graduate in no fewer than eight regular semesters.
4. To be eligible for graduation with honors, a student shall:
 - a. complete the designated program for their cohort and
 - b. present grades for all required courses prior to the established date for calculating rank-in-class (RIC); and
