

# THUNDERCAT THRIVE

DECEMBER 2025 | VOLUME 1 ISSUE 2

## CAREER DAY

**Empowering students to dream big and explore every pathway**

RTMS held its annual Career Day on December 4, featuring our keynote speaker and award-winning meteorologist Anthony Yanez, who inspired students with stories from his career and words of encouragement. Students participated in mock interview sessions, attended presentations from a wide range of professionals, and explored an exhibit hall filled with tables showcasing high school organizations, clubs, and programs. The event provided students with valuable real-world insight, exposure to diverse careers, and a deeper understanding of the opportunities that await them in high school and beyond.
