(Can be On-Level or AAC)

English Language Arts (ELA)

Math

Science

Social Studies

## 1 FINE ART ELECTIVE

Art

Band

Choir

Orchestra

Theatre

## 1 CORE PLUS CLASS

AVID (most students)

Contest Math (test required)

Literacy (if needed)

Math Lab (if needed)

## 1 PHYSICAL EDUCATION CLASS

PE

Pre-Athletics PE

KickStart (Karate)

# ELECTIVES

**All 6<sup>th</sup> Graders will  
have one Fine Arts  
Elective.**

# Grade 6 “Core Plus” Electives

## AVID 6

The sixth-grade AVID Elective course is an introduction to the AVID philosophy. Students will develop awareness of academic goals and success. The course will focus on building self-confidence and communication skills. Students will be exposed to reading strategies that will assist in vocabulary building and understanding a variety of texts, and will also focus on prewriting techniques, summary writing and structural components of note-taking. The students will increase college and career awareness.

## Contest Math

A class designed to prepare students to participate in math contests such as MathCounts, UIL Number Sense, and Texas Mathematics League.

## Literacy

A course designed to strengthen reading skills and develops vocabulary, comprehension, and reading fluency.

Reading STAAR performance in 5<sup>th</sup> grade is considered for enrollment.

## Math Lab

A course designed to strengthen knowledge and skills in Math objectives.  
Math STAAR performance in 5<sup>th</sup> grade is considered for enrollment.

# Advisory

Our Advisory class is called ***Falcon Time!***

This class meets 2 times a week.

Student activities during Advisory may include but is not limited to:

- Social Emotional Learning lessons
- Character Education lessons
- Multicultural activities
- Tutorials

# Advanced Academic Courses

## AAC

- Formerly labeled 'Pre-AP'
- **HIGHER LEVEL THINKING**
- **MORE TIME REQUIRED** (reading and writing assignments, as well as projects and regular homework, should be expected)
- Students will need to **BALANCE** their work with extracurricular pursuits to avoid stress
- **FAST PACED** – particularly in math. The 6<sup>th</sup> Grade Math AAC class will cover 6<sup>th</sup> grade and the first half of 7<sup>th</sup> grade all in one year. This course will move very quickly in order to complete the required curriculum. If your child generally needs more time in order to learn new material, an on-level course may be more appropriate for them.
- If a student starts out in an AAC course but needs to drop to on-level due to it being too difficult, the student's schedule will change. Please do not ask for your child's schedule to remain the same or request that certain classes not be moved. There is no guarantee how the schedule will change. Changes will depend on space and availability in the on-level course.

# Guidelines for Exiting AAC Classes

Exit processes are necessary to assist students in making sound course selection decisions. Students and parents must be aware that, depending on the timeline, **grades earned in AAC courses follow the student to the corresponding on-level course**. These grades will be included in calculating the on-level course.

1. Students are expected to seek support when needed to be successful in a AAC course. Actions taken should include tutorials and conferencing with the teacher.
2. **Students/Parents must submit a formal request to be exited from a Pre AP course.** This request will be reviewed by the teacher and campus designee(s) to consider student performance, availability of space in other courses, grading timelines, and other factors that may be at issue. Students experiencing success (maintaining a C/75 or better) should remain in the class for the semester.
3. Students who earn an F in an AAC course at the end of the grading period **may be removed** from the class unless otherwise recommended by the teacher and administrator.

# Should Your Child Enroll in Advanced Academic Courses?

- Do they ENJOY a particular subject and are they motivated to learn more about it?
- Are they willing to do extra reading or homework in this subject?
- Do they need a challenge in this subject because the content is easily understood?
- Do they understand the purpose of AAC coursework versus regular level?
- Please note Gifted and Talented Students are expected to enroll in AAC courses for the subjects they are identified as GT

# Advanced Math Sequencing

The AAC Math courses are designed for the student to cover all three years of middle school math in a 2-year period. Success in 6<sup>th</sup> and 7<sup>th</sup> AAC Math will allow the student to take High School Algebra I in 8<sup>th</sup> Grade.

# Advanced Math Sequencing

# Middle School AAC Math Entry Points and Course Sequencing

## Three Recommended Entry Points for Students to take Algebra I in Middle School

**Middle School Math AAC Entry Point at 6<sup>th</sup> Grade** (*We strongly recommend entry into AAC Math in 6<sup>th</sup> grade for a seamless math course sequence.*)

6<sup>th</sup> Grade AAC Math is open enrollment for all students entering middle school.

\*Senate Bill 2124 requires students who score in the top 40% of testers on 5<sup>th</sup> grade Mathematics STAAR to be automatically enrolled in 6<sup>th</sup> grade AAC Math.

# Middle School AAC Math Entry Points and Course Sequencing

## Middle School Math AAC Entry Point at 7<sup>th</sup> Grade

### Note:

- Campus leaders will use various data points such as universal screeners (MAP) and STAAR interim to determine the student's readiness for 8<sup>th</sup> grade TEKS in 7<sup>th</sup> grade.
- \*\* Students are highly encouraged to complete assigned Edgenuity modules outside of class, that cover 7<sup>th</sup> grade TEKS addressed in the 6<sup>th</sup> grade AAC course.

# Middle School AAC Math Entry Points and Course Sequencing

## Middle School Math AAC Entry at 8<sup>th</sup> Grade by Credit by Exam (CBE)

### Note:

\*\*\*According to the Algebra 1 TEKS (Texas Education Code §111.39) the required pre-requisite for any student to take Algebra 1 is Grade 8 math or its equivalent. Therefore, to enter Algebra 1 at the 8<sup>th</sup> grade level without prior instruction on 8<sup>th</sup> grade TEKS, students will need to score 80% or higher on Grade 8 math Credit by Exam (CBE).

- All students taking the 8<sup>th</sup> grade math CBE must follow the timelines and schedule listed on the [FBISD Credit by Exam](#) site.

**\*We do not offer Algebra II at FSMS. Therefore, when students advance to High School Algebra II, parents must provide transportation to the students zoned high school campus to take Algebra II and provide transportation back to FSMS.**

# Grade 6 Course Selection Sheet

Please complete all Demographic information. Students should select their level of choice for core courses.

Please make selections carefully. If a student should need a level change, many of the students scheduled classes could change.

<b>Student Name:</b> _____		<b>Parent Name :</b> _____	
<b>Student ID #:</b> _____		<b>Parent Daytime Phone:</b> _____	
		<b>Parent Email:</b> _____	
<b>Required courses include: English Language Arts, Math, Science, Social Studies, Physical Education &amp; Advisory.</b> All students will be placed in core classes based on individual needs.			
<b>Subject</b>	<b>Grade 6</b>		
<b>English</b>	____ EL6211 ELA I 6 ____ EL6111 ELA I 6 AAC

<b>Science</b>	____ SC6211 Science 6 ____ SC6111 Science 6 AAC		
<b>Social Studies</b>	____ SS6211 Soc Stdy 6 ____ SS6111 Soc Stdy 6 AAC		

# Grade 6 Course Selection Sheet

PE/Kickstart	<input type="checkbox"/> PH6639 PE 6
	<input type="checkbox"/> PH6640 PE 6 Kickstart
	<input type="checkbox"/> Pre-Athletics

Students may select PE, Pre-Athletics or Kickstart for their Physical Education class. There is limited space in Pre-Athletic and Kickstart. All students who make the request may not receive these classes.

# Grade 6 Course Selection Sheet

Please number electives in order of preference.

Arrangements must be made for band and orchestra instruments prior to May 31<sup>st</sup>.

- Contest Math – Place a check mark. Testing required to enroll. Prepare and participate in Math Counts, UIL Number Sense, and Texas Mathematics League. Only the top students will be admitted to this class. This is a very competitive course.
- Robotics & Engineering will only be offered if there is space in the Master Schedule and it does not fill up with 7/8 graders.

**These courses may take the place of the Core Plus AVID class.**

**ELECTIVES: Number elective choices in order of preference: 1, 2, 3, 4, 5.**

**Please use all five numbers.**

**Students may not get their first choice or second choice due to availability.**

**Space in some electives is limited.**

**One year of Fine Arts is required in middle school per TEA.**

**Electives are for a FULL YEAR and are not changed during the school year.**

**Most students will take the core plus AVID class.**

**An alternate core plus class may be assigned/determined per student need.**

# SCHEDULE CORRECTIONS

In the early spring of each school year, students are given the opportunity to choose courses after having met with their counselor for an informational session. In March, students are given an opportunity to verify their course request in Skyward Family Access. After that time the Master Schedule is developed.

The student course requests are used to make decisions about the number of sections of each course. For example, if 60 students request a particular class, two sections will be offered; if only 30 students request the class, only one section will be offered. Therefore, after the Master Schedule has been created, there are very few slots available to accommodate late request for changes.

To maintain balance of classroom numbers and to minimize disruptions to the academic process, **schedule changes will be made for the following reasons** by using the *Schedule Change Request Form*.

- A student has already received credit for the class in which they are currently scheduled.
- A male has been scheduled into a female PE/Athletics, or vice versa.
- A student is in a class for which they do not have the appropriate prerequisite (i.e., enrolled in • Art II and has not taken Art I).

A student requiring a schedule correction must pick up a *Schedule Change Request Form* and submit to their counselor. The deadline for all schedule correction(s) is 9 days after the start of each semester.

In general, elective change requests will not be honored. However, if a student is trying to move from a regular elective into an extracurricular program (i.e. band, choir, and athletics) the request for the change will be considered but must be initiated by the coach/program director.

# Inputting Courses Into Skyward Family Access

**Students** will complete course requests, endorsements, and career plans for the next school year online through **Family Access**.

Begin by clicking Skyward - **Family Access**, located at the bottom of your screen.

Then click on **Login to Family Access**

When the login screen opens, the students will type in their login and password, and click on the **Sign In**. *You will use your **student network login and password that you use at school**.*

# Inputting Courses Into Skyward Family Access

## COURSE REQUEST

To access the Course Request link for the next school year:

- Click **Schedules**
- Click on the link Request Courses for xxxx-xxxx (future school year) in your next year school to start the process.

1

2

# Inputting Courses Into Skyward Family Access

The **Available Courses** list is in alphabetical order on the left. Scroll down the list and highlight a course to request. After highlighting the course, click **Add Course**. The requested course then moves to the Selected Course column on the right side. Middle School students transitioning into high school for the next school year will need to review the **Total Credits** field to determine the number of courses selected. Your school will give you the appropriate number of courses to select.

Click the **X** and then the **Logout** button when finished.

# Course Selection Process for Rising 6<sup>th</sup> Grade

Current FBISD students will input courses in Skyward Family Access during the online window.  
Please follow the instructions from your elementary school.  
Middle Schools will have access to their course requests for scheduling.

## Students New to FBISD

Register online at <https://www.fortbendisd.com/newstudent>

Registrar will contact parent/guardian regarding registration and will request required documents.

At the end of the school year, parent provides final report card from current school.  
Course selection sheet and final enrollment paperwork will be provided at that time.

# Success In Middle School – For Parents!

- **Expect success as well as mistakes. After all, this is the first year of middle school!**
  - **Give specific praise for a job well done.**
  - **Communicate with your child about school often.**
  - **Expect your child to take initiative; if not, remind them.**
- **Communicate with teachers if your child has difficulty with receiving answers about schoolwork.**
  - **Set a place to study and a regular time for homework.**
- **Allow them time to decompress before their evening activities.**
  - **Encourage your child's participation in school activities. It develops a sense of belonging and friendships.**

# Additional Information

- **No backpacks on wheels. These will not fit in the lockers.**
- **School supply lists will be in the summer newsletter. Specific supplies will be announced during the first week of school.**
- **Friends – Not all students will be in classes with their friends. We will not make adjustments to schedules for friend situations. The computer does the scheduling.**
- **This is a two-story building. Students will have classes upstairs and downstairs.**
- **Students may be excited and a little nervous. There is much to learn the first few weeks, but everyone survives!**
