

Answer: Amethyst Sanders

It was our tradition after UIL Concert/Sight-Reading to eat lunch at CiCi's Pizza.

Amethyst was waiting for the next tray of cinnamon rolls. When the fresh tray was set out, a man in the line (remember this is a "buffet") took a cinnamon roll off the serving tray. Amethyst picked up the tray and started crying...real tears! She was sincerely angry with this man for taking one of the cinnamon rolls. She proceeded to eat the remainder of the cinnamon rolls...yes, the entire tray! #Toofunny!
