11:30 am to 1:00 pm

- I. Welcome
- II. Subcommittee Reports and Feedback Requests
- III. Subcommittee Feedback
- IV. Future Planning
- V. Closing

“If you’re trying to live life, really live it, you should, in my opinion, try to expand all aspects of your life. Open yourself to new ideas and new things even if you find you don’t like them in the end – but at least knowing them has taken you that much further along into being a more experienced and well-rounded person in this world.” — Josh Barnett
