

Meet Mrs. Reed

Mrs. Reed

About Me

WELCOME to 4th grade! I am thrilled to be your 4th-grade teacher! It's going to be a fantastic year filled with lots of learning and great new adventures.

I have been teaching here at Scanlan Oaks for the past 20 years and love it. Before SOE I was teaching in Cleveland, Ohio, where I taught 2nd, 3rd, and 4th grade. I grew up in McAllen, Texas, and then received a basketball scholarship to Cleveland State University. This is where I met my husband, Anthony. We have two sons, Anthony & Andrew. Anthony is a helicopter pilot in the Navy, and Andrew is working toward becoming a basketball coach. I can not wait to learn all about you and your family. This is definitely going to be your Best year yet!
