

Referral to State Agency Services

Overview

- The ARD committee should consider appropriate circumstances for facilitating a referral to government agency services or public benefits. This includes a referral to place the student on a waiting list for public benefits available to the student, such as the waiver program established under the Social Security Act.
- The ARD committee determines if there is a need for additional outside assistance by an agency for services based on the individual needs of the student.
- With the written and signed consent of the parent or adult student, any agency responsible for providing transition services may be invited to the ARD.
