

**Fort Bend Independent School District**  
**Dulles Elementary**  
**2024-2025 Campus Improvement Plan**

# Mission Statement

District: FBISD exists to inspire and equip all students to pursue futures beyond what they can imagine.

Campus: DE is a positive and supportive community centered around high expectations, continuous improvement, and servant leadership.

## Vision

District: Fort Bend ISD will graduate students who exhibit the attributes of the District's Profile of a Graduate.

Campus: DE students and staff will grow every day.

## Core Beliefs

1. FBISD will provide an educational system that will enable all students to reach their full potential.
2. FBISD will recruit, develop, and retain effective teachers.
3. FBISD will provide a supportive climate and a safe learning/working environment.
4. FBISD will provide and promote leadership development at all levels.
5. FBISD will be a collaborative, efficient, and effective learning community.

Fifth six weeks	0.28%			
Fourth six weeks	0.14%			
Third six weeks	0.56%			
Second six weeks	0%			
First six weeks	0%			

**Demographics Strengths**

Dulles Elementary includes a diverse mix of families from across the economic spectrum.

DE is ethnically diverse, with 19 different languages spoken at home.

Our students treat each other with respect and show kindness and care towards one another.

Our students respect and appreciate different cultures, and we celebrate these cultures with events such as Multicultural Night.

Enrollment increased by 59 students since last school year.

The number of Gifted and Talented students increased by 11 students.

## **Problem Statements Identifying Demographics Needs**

**Problem Statement 1:** Not all parents complete the Free and Reduced Lunch Form, which can negatively affect state accountability. **Root Cause:** All students at DE receive free breakfast and lunch. This may provide less incentive for parents to fill out the form. Also, the form is on the computer, which could hinder some parents from filling out the form.

# Student Learning

## Student Learning Summary

### STAAR:

3rd Grade Reading STAAR:

3rd Grade Math STAAR:

4th Grade Reading STAAR:

4th Grade Math STAAR:

Percentage of Students who met SGP Expectations (35 SGP):64% (71/111 students)  
SGP Grade Level Median Score:45

5th Grade Math: 56% At/Above, 44% Below  
Percentage of Students who met SGP Expectations (35 SGP): 46 % (58/122 students)  
SGP Grade Level Median Score:34

### **REN Early Lit:**

Kinder: 77% At/Above, 23% Below  
Percentage of Students who met SGP Expectations (35 SGP): 61 % (47/77 students)  
SGP Grade Level Median Score:43

### **School Wide REN SGP Data:**

Reading:  
61.2% of students scored at or above typical growth (35th current SGP) from Fall to the given test period. (327/534 students )  
This is up 11% from Fall to Spring 2022-2023

Math:

56.4% of students scored at or above typical growth (35th current SGP) from Fall to the given test period (291/516 students)  
 This is up 4% from Fall to Spring 2022-2023

**Kinder TX-KEA:**

Math: 73% On Track, 8% Monitor, 20% Needs Support

**Pre-K Circle:**

Phonological Awareness: 56% On Track, 44% Needs Support

Math: 87% On Track, 13% Needs Support

**EB Data:**

ONE YEAR'S GROWTH IN INSTRUCTIONAL COMPOSITE RATINGS

GRADE	STUDENTS	GROWTH PERCENTAGE
PRE-K	19/23	82%
KINDER	12/21	57%
1 <sup>st</sup>	12/23	52%
2 <sup>nd</sup>	8/19	42%
3 <sup>rd</sup>	19/25	76%
4 <sup>th</sup>	11/19	58%
5 <sup>th</sup>	13/24	54%

**Student Learning Strengths**

**REN Reading and Math:**

71% of 4th Grade students met SGP expectations for the year in Reading.

64% of 4th Grade students met SGP expectations for the year in Math.

### **School Wide REN SGP Data:**

#### Reading:

61.2% of students scored at or above typical growth (35th current SGP) from Fall to the given test period. (327/534 students )

This is up 11% from Fall to Spring 2022-2023

#### Math:

56.4% of students scored at or above typical growth (35th current SGP) from Fall to the given test period (291/516 students)

This is up 4% from Fall to Spring 2022-2023

### **TELPAS:**

82% of PreK students made one year's growth on TELPAS.

76% of 3rd Grade Students made one year's growth on TELPAS.

### **Problem Statements Identifying Student Learning Needs**

**Problem Statement 1:** Campuswide, 44% of students did not make one year of growth in Math, as measured by Ren 360. Campuswide, 39% of students did not make one year of growth in Reading, as measured by Ren 360. **Root Cause:** As a campus, we must improve our tracking and targeted teaching practices for all students, especially those who are already at or above grade level.

## School Processes & Programs

### School Processes & Programs Summary

**Professional Development:** All K-5 teachers participated in a book study based on their content. We focused our professional development on using data to plan for small groups and intervention, creating CFA's, and analyzing Interim assessment data to drive instruction.

**Communication:** Communication with parents and staff via newsletters through S'more, Skyward communication, Blackboard, Dojo, and Friday Folder.

**Extra-Curricular:** Our afterschool clubs include Viking Instrument Squad, Art Club, Coding Club, Student Council, Math Club, UIL Storytelling, Girl Power, Running Club, Cooking Club, Little MD Club, Sci Now Club, Chess Club, Little Viking Cheer Squad, and Choir.

**Support Services:** Students from DHS supported weekly Math tutorials. Teachers participated in weekly tutorials to support math, reading, and science.

**Technology Integration:** We have prioritized using district technology programs such as Typing.com, and Dreambox. The campus purchased IXL to support reading and math, in addition to Lone Star Learning.

**PBIS Celebrations:** Students earn campus dollars to shop at the school store where they can purchase toys, snacks, etc.

**Scheduling:** Each grade level had an assigned class that participated in Innovation Hour.

### School Processes & Programs Strengths

Professional Development is ongoing, focusing on continuous improvement and building teacher capacity.

Parents receive the Parent Newsletter weekly and Grade Level Newsletters monthly.

Students enjoy our variety of clubs, which provide the opportunity to excel in extracurricular areas and develop a sense of self.

Additional technology supports allow teachers to differentiate learning and provide new pathways to growth.

PBIS celebrations incentivize positive behavior and reward students who make good choices.

### Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1:** Not all teachers are utilizing planning time efficiently to create high quality Tier 1 learning experiences. **Root Cause:** Not all teachers are familiar with the content/curriculum. Not all teachers are utilizing the Schoology curriculum effectively.

# Perceptions

## Perceptions Summary

We provide a staff survey quarterly so the administration is kept informed about the culture and climate of the campus and ways to best support the campus.

We also provide a PBIS Survey quarterly to gauge the effectiveness of behavioral interventions.

We have multiple volunteer opportunities to engage the community such as PTO meetings, spirit nights, fundraisers, donations, and after-school events.

Improvement in culture and climate has helped us retain more staff than in previous years.

## Perceptions Strengths

Community and parent involvement has a strong presence on the campus by way of library volunteers, classroom volunteers, school beautification projects, special events, etc.

Both parent and staff surveys report positive perceptions of DE.

Parents and businesses are encouraged to visit and volunteer at DE, resulting in increased partnerships.

As of the end of the school year, only two teachers are not returning to DE next year.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Many higher income families who live in the Dulles Elementary zone are choosing private schools. **Root Cause:** Parents receive negative messaging from the media about public schools that deter them from enrolling their students at DE.

# Priority Problem Statements

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)

## Accountability Data

- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card and accountability data

## Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data

- Response to Intervention (RtI) student achievement data

### **Student Data: Behavior and Other Indicators**

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback
- School safety data
- Enrollment trends

### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- T-TESS data
- T-P ESS data

### **Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate

### **Support Systems and Other Data**

- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices

# Goals

**Goal 1:** FBISD will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students

**Performance Objective 1:** By June 2025, Dulles Elementary will improve the effectiveness of literacy and math instruction and student ownership of learning practices through the implementation of aligned curriculum as evidenced through the indicators of success.

**Indicators of Success:** Formative Indicators of Success:

Increase the number of classrooms properly implementing small group instructional strategies BOY to MOY by 15% as evidenced in classroom walkthroughs.

Increase the number of classrooms using student ownership tools BOY to MOY by 25% as evidenced in classroom walkthroughs.

(GT) By December 2024, 100% of GT students will have started their GT Learning Plan and Innovation Hour Projects.

Summative Indicators of Success:

By May 2025, 85% of classrooms will effectively implement small group instructional strategies as evidenced in classroom walkthroughs.

By May 2025, 80% of classrooms will properly implement student ownership tools as evidenced in classroom walkthroughs.

(GT) By May 2024, 100% of GT students will effectively complete and present their Innovation Hour project during the GT Showcase.

**Goal 1:** FBISD will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students

**Performance Objective 2:** By June 2025, Dulles Elementary will improve implementation of intervention and enrichment practices through effective PLCs in order to ensure growth of every student, as evidenced through the indicators of success.

**Indicators of Success:** Formative Indicators of Success:

Increase the number of classrooms properly implementing intervention and enrichment strategies BOY to MOY by 20% as evidenced in classroom walkthroughs.

Increase number of students making expected growth in Reading and Math on the MAP Assessment from BOY to MOY by 15%.

Summative Indicators of Success:

By May 2025, 90% of classrooms will properly implement intervention strategies as evidenced in classroom walkthroughs.

By May 2025, 80% of students will make at least one year's growth in Reading and Math as measured by the MAP Assessment.

**Goal 2:** FBISD will provide a positive culture and climate that provides a safe and supportive environment for learning and working

**Performance Objective 1:** By June 2025, Dulles Elementary will improve student behavior by implementing student ownership of behavior practices as evidenced through the indicators of success.

**Indicators of Success:** Formative Indicators of Success:

From BOY to MOY there will be a 10% decrease in PBIS discipline data from the prior school year.

From BOY to MOY 100% of all classrooms will have a co-created respect agreement signed and displayed with evidence that it is being used to develop positive teacher to student and student to student interactions, as noted in walkthroughs and observations.

Summative Indicators of Success:

From MOY TO EOY there will be a 10% decrease in PBIS discipline date from the prior school year.

From MOY TO EOY student engagement will increase by 15% as measured by the Student Engagement Survey Data.

By May 2025, there will be evidence of behavior expectations implemented with fidelity in 100% of all classrooms as noted by walkthroughs and observations.

By May 2025, behavior expectations will be implemented with fidelity 90% of the time in hallways, restrooms, the cafeteria, and dismissal areas.

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> DE will implement PBIS strategies, Dulles Dollars, Snack Cart, Quarterly Incentive Parties, Student of the Month, and student recognition during announcements.
