

Registering for Full Service Days

For students with current school year contracts

1 Go to fortbendisd.reg.eleyo.com.

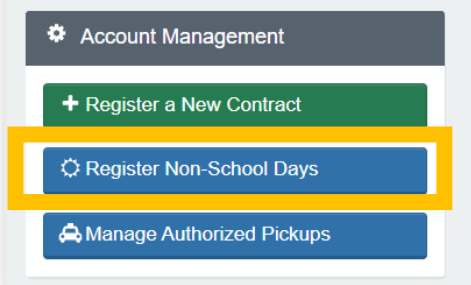

Scroll to the “Full Service Day Programs” section, and select **Current 2024-2025 Extended Day & Little Learners**.

“Non-Extended Learning Students” is for parents who only choose to sign up for full service days, and no other Extended Learning Services.

“Explore Houston Jr. Excursion” is a field trip option for full service days.

2 Log into your account if prompted, and you’ll see a button under Account Management, called “Register Non-School Days”.

Choose your student on the next page, and then the correct season (*only PreK students are in Little Learners*).

3 Choose your dates, and then click Continue. Choose the location for each date, and click Continue. Complete the acknowledgement, and then click on “Complete Questions and Finish Registration”.
