

THIS WEEK IN

Week of September 9, 2024

FIFTH GRADE

Look What We're Learning:

Reading: Readers use what they know about the structure of fiction to analyze text. Student will use a Story Plot to analyze setting, problem, solution, climax, rising action, falling action. **MAP Testing: Sept. 9, 10, 11**

Social Studies: Students will learn about and explain when, where, and why groups of people (European explorers) explored, colonized, and settled in the United States, including the search for religious freedom and economic gain.

Writing: Students will write personal narratives. Writers plan out their small moment and draft a narrative.

Science: Students will compare and contrast matter based on physical properties related to magnetism, relative density, solubility and thermal energy.

MAP Testing: Sept. 18, 19 and 20

Math:

Students will add and subtract decimals in word problems and begin adding and subtracting Fractions.

MAP Testing: Sept. 13, 16, 17

A Note From the Teacher:

Birthday Celebrations

You may bring store-bought cupcakes or cookies for your child's birthday. Check with your teacher to see how many students are in the class. Please bring to the front office with the nutritional information. We will enjoy the birthday treats with our classmates before the end of the day! Please do not bring goodie bags or balloons.

Dismissal Information

Be sure to go over dismissal plans with your child so that they are clear on how they are getting home! If you need to change your child's dismissal, please email before 2:00pm, to allyna.bardney@fortbendisd.gov. Teachers are not allowed to change your child's dismissal. You must go through the front office.

Thank you in advance for your support this year!
