

Fifth Grade TPSP Blueprint

All Gifted and Talented students must have choice of which TPSP(s) they would like to complete. Below is a blueprint of the options available at the fifth grade level, the approximate units of study that align to the projects, and the suggested month when students might begin each project. Click on any of the pictures to find more information about each of the projects.

<p>August - September</p>	<ul style="list-style-type: none"> • Disseminate TPSP Blueprint to GT parents/guardians and students.* • Establish checkpoints to discuss potential project choices and progress with each GT student. • Act as informational resource to support student preparation resource for Phase 1 of TPSP. • Fifth grade students should be provided a minimum of 9-15 weeks to complete projects.
