WELCOME TO
7th GRADE

Welcome to your 7th
grade year at Garcia!

7th Grade Curriculum:

Life Science

- ✓ In this class we will build on science concepts related to Life Science.
- ✓ We will be investigating cells, body systems, genetic information, work, energy transformation, ecosystems, & human and natural impacts on Earth in addition to laboratory safety and science skills.

This is my 13th year as a science teacher. I have taught middle school science the past 6 years in Fort Bend and 6 years in High School with HISD. Every year, I am excited to teach and get to know each of my students and their families. I have 2 children; my oldest will begin 5th Grade and my youngest will be in Third grade this school year. I have been married for 13 years to my wonderful husband, Matt.
