

"My Story, My Strengths" Family Connection Project

Directions:

Work with a parent, guardian, or trusted adult to complete this activity. Ask questions, share stories, and create something that represents you.

Part 1: Interview Your Adult

Ask your parent/guardian the following questions and write their answers:

1. What is something you are proud of me for?
2. What strengths do you see in me?
3. What is a favorite memory you have of us together?
4. What advice do you have for my future?

Write responses in complete sentences.

I love you!

Part 3: Create Your Project

On the back (or a separate sheet), create a visual display that includes:

- Your name (big and bold!)
- At least 3 strengths
- 1 quote or advice from your parent/guardian
- Drawings, colors, or symbols that represent you

Be creative—this will be displayed!

Part 2: About Me

Answer these questions on your own:

- Three words that describe me:
- Something I'm proud of:
- A goal I have for this year:
- Something I want my teacher to know about me:
