

WHAT IS A FAMILY-SCHOOL COMPACT?

It is a written agreement between the school and the students' family. It outlines the activities that the school, student and their family will undertake to build and develop a positive, working relationships.

Compacts are discussed with parents/guardians and students during parent/Teacher Conferences. This is when compacts are shared, and teachers discuss the details of the teacher, parent and student roles as outlined in the Compact. Feedback, and request for any additional support, are welcome at any time.

Our compact describes what the school will provide to students and parents, how communication will take place, how teachers will help students develop necessary skills. It outlines what strategies families can use at home to support their child's learning. These components are linked to our School Wide Campus Improvement Plan.

DEVELOPED JOINTLY WITH PARENTS

Campus stakeholders (teachers, parents, and students) collaboratively developed this compact. Data received from previous parental involvement activities, campus surveys and data analysis/evaluation to identify campus needs were considered in the development of the compact. Staff collaboratively determine activities that can be used at both home and school to assist students with academic growth.

Meetings are held annually to review content of the compact, determine if progress is made and student growth is occurring.

Parental feedback is welcomed and encouraged at any time as the Compact will be referenced throughout the year. Please contact your Title 1 Parent Educator, Juana Galvan, by phone (281)634-2807, or email juana.galvan1@fortbendisd.gov regarding your child's education.
