## Demographics

### Demographics Summary

Colony Bend has an enrollment of approximately 540 students in grades PK-5. We are a neighborhood school in an older neighborhood that is beginning to see the influx of younger families with school age children. For the 2024-25 school year, we have 5 FLaSH units and a Behavior Support Services program.

For the 2024-25 school year, Colony Bend will have 40 teachers, 20 instructional aides, and 11 admin/front office/admin support.

## **Demographics Strengths**

The CBE population is very diverse which is a great advantage to our students. They are able to learn about other cultures from their classmates. Students are also grouped into classrooms heterogeneously which allows students of all levels to work together in the same setting. Our special education program promotes the idea of students being with their same age peers as much as possible which allows students to observe positive role models on a daily basis.

CBE has a long standing history in the community and has a reputation of having experienced and skillful teachers and staff.

## **CBE Teachers Level of Experience**

Beginning Teachers 0

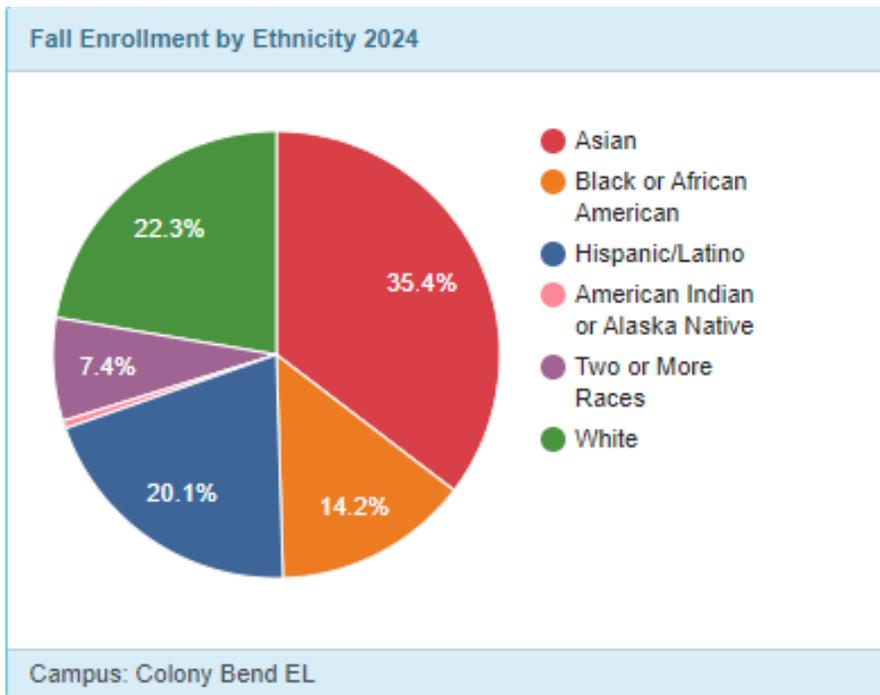

1-5 years experience-7

6-10 years experience 11

11-20 years experience 13

21-30 years experience 8

Colony Bend is a very diverse campus. Over 30 different languages are spoken by the families in our community.

### Problem Statements Identifying Demographics Needs

**Problem Statement 1:** CBE special education numbers are constantly changing making correct staffing and adequate delivery of students services a challenge.

**Root Cause:** With a high number of special education students for a relatively small school, and six self contained units, FLaSH and BSS, that house students from all over the district, our numbers are constantly changing. Students within CBE are qualifying for services throughout the year necessitating a change in the special education schedule and the amount of coverage required.

**Problem Statement 2:** Daily attendance numbers are lower and the amount of students tardy to school has increased.

**Root Cause:** There has been a definite trend that daily attendance, or arriving on time, does not seem a priority for many families. Also, with a large population of students who have families in other countries, extended travel has become the norm. Families need additional training on the importance of daily attendance and on time arrival.

**Problem Statement 3:** GT numbers are extremely low for a campus of our size and with our demographics. We have only 18 identified GT students even though a large number of students were tested and parents were given opportunities to learn about the GT program.

**Root Cause:** Students have a lack of exposure to activities or experiences that involve higher level thinking skills and students have limited opportunities to explore creative outlets.

**Problem Statement 4:** Our 23-24 Learning walk data showed a trend of lack of rigor.

**Root Cause:** In PLC and teacher planning, staff can drill down into the specific TEKS that students are struggling to master.

**Student Learning Strengths**

- \*Teachers, in grade K-3, have implemented the phonics curriculum with fidelity resulting in improvement basic reading skills.
- \*Flight Time, campus intervention time, has become more focused with students receiving Tier 2 and Tier 3 instruction daily.
- \*Team planning has been prioritized with one day a week being protected as "planning day",resulting in better alignment in teacher lessons.
- \*

**Problem Statements Identifying Student Learning Needs**

**Problem Statement 1 (Prioritized):** At least half of our special education and LEP students are not making a year's growth in reading and math according to BOY, MOY, EOY REN data.

**Root Cause:** Our SPED population is currently is over 90 students and our LEP students number around 225. These students come with a range of abilities and language acquisition requiring intervention to be individualized.

**Problem Statement 2:** Fifth grade STAAR science scores were lower than expected (63%) with only 9% of students reaching mastery.

**Root Cause:** Science has not been taught with fidelity in the lower grades, leaving a science knowledge/exposure gap by the time students reach fifth grade.

**Problem Statement 3:** Math scores for REN and STAAR indicated that the majority of students are struggling with math concepts and did not make a year's growth.

**Root Cause:** Not enough focus on math TEKS and intervention on math concepts in the lower grades.

## School Processes & Programs

### School Processes & Programs Summary

CBE has approximately 540 students however, the number of student identified as GT is low. Even after efforts to educate families on the GT process and increasing the number of students who took the GT test, the numbers remain surprisingly low.

Strongly disagree	0
Don't Know	11

### Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1 (Prioritized):** Math scores are lower than expected on REN and STAAR.

**Root Cause:** A half time math specialist is limited in the number of students she is able to meet with on the campus. This increases the number of students teachers are working with to remediate math skills with in the classroom.

# Perceptions

## Perceptions Summary

A 10-question, campus-created parent survey was administered twice (near the conclusion of each semester) over the 2023-24 school year. At the end of the second semester, there were a total of 56 survey respondents. Results of the survey are disseminated below:

Question 1: There is frequent, two-way communication between school staff and families at CBE.

Strongly agree: 45%

Agree: 43%

Disagree: 7%

Strongly Disagree: 5%

Don't Know: 0%

Examples of parent suggestions for improvement (question 2): consistent teacher newsletter with upcoming events included, increased parent-teacher interaction, and faster response time to parent emails.

Question 3: CBE values input provided by families.

Strongly agree: 38%

Agree: 45%

Disagree: 5%

Strongly Disagree: 0%

Don't Know: 13%

Question 4: CBE uses family input to improve instruction, programs, activities, and services provided.

Strongly agree: 33%

Agree: 42%

Disagree: 5%

Strongly Disagree: 0%

Don't Know: 20%

Examples of parent suggestions for improving how parents get input (question 5): additional surveys as needed and mid-year evaluations for teachers.

Question 6: Discipline is enforced fairly for all students at CBE.

Strongly agree: 16%

Agree: 39%

Disagree: 11%

Strongly Disagree: 0%

Don't Know: 34%

Question 7: Please rate the overall quality of the Gifted and Talented program and services at CBE based on your experiences this school year.

Excellent: 13%

Good: 9%

Fair: 7%

Poor: 4%

Don't Know / Not Applicable: 68%

Question 8: Please rate the overall quality of Special Education services at CBE based on your experiences this school year.

Excellent: 20%

Good: 14%

Fair: 5%

Poor: 2%

Don't Know / Not Applicable: 59%

Question 9: Please rate the overall quality of English Language Learner services at CBE based on your experiences this school year.

Excellent: 9%

Good: 9%

Fair: 5%

Poor: 0%

Don't Know / Not Applicable: 77%

Examples of parent suggestions in improving programs and services (question 10): additional communication about student progress and additional staffing for special education.

A 10-question, district-created staff survey was administered twice (near the conclusion of each semester) over the 2023-24 school year in regard to school climate and performance as it relates to both the principal and assistant principal. At the end of the second semester, there were a total of 54 survey respondents. Results of the survey are disseminated below:

### **Principal Stacy Brown**

Question 1: The administrator treats me with respect.

Strongly Disagree: 7%

Disagree: 6%

Neutral: 4%

Agree: 28%

Strongly Agree: 56%

Question 2: The administrator appears to have a strong understanding of instruction.

Strongly Disagree: 5%

Disagree: 2%  
Neutral: 9%  
Agree: 45%  
Strongly Agree: 38%

Question 3: The administrator supports me in my work with students by providing clear goals and expectations.

Strongly Disagree: 4%  
Disagree: 4%  
Neutral: 13%  
Agree: 40%  
Strongly Agree: 40%

Question 4: The administrator is approachable.

Strongly Disagree: 8%  
Disagree: 2%  
Neutral: 4%  
Agree: 35%  
Strongly Agree: 52%

Question 5: The administrator is visible throughout the building.

Strongly Disagree: 2%  
Disagree: 5%  
Neutral: 5%  
Agree: 38%  
Strongly Agree: 49%

Question 6: The administrator involves teachers in decision making and problem solving in a variety of ways.

Strongly Disagree: 5%

Disagree: 5%

Neutral: 11%

Agree: 47%

Strongly Agree: 31%

Question 7: The campus morale is high.

Strongly Disagree: 13%

Disagree: 11%

Neutral: 22%

Agree: 38%

Strongly Agree: 16%

Question 8: If I had to decide today about working at this campus next school year (24-25), I would:

Stay at this campus: 85%

Move to another campus: 11%

Leave the district: 4%

Question 9: The administrator often recognizes teachers for a job well-done.

Strongly Disagree: 4%

Disagree: 2%

Neutral: 18%

Agree: 33%

Strongly Agree: 44%

Question 10: The administrator communicates effectively and in a professional manner.

Strongly Disagree: 2%

Disagree: 2%

Neutral: 16%

Agree: 44%

Strongly Agree: 36%

Question 11: The administrator addresses discipline and safety issues in a timely and equitable manner.

Strongly Disagree: 5%

Disagree: 9%

Neutral: 18%

Agree: 42%

Strongly Agree: 25%

Question 12: The administrator addresses parent concerns fairly and with consistency.

Strongly Disagree: 4%

Disagree: 4%

Neutral: 17%

Agree: 49%

Strongly Agree: 26%

Question 13: The administrator interactions with students, staff, is respectful and professional.

Strongly Disagree: 4%

Disagree: 4%

Neutral: 6%  
Agree: 48%  
Strongly Agree: 39%

Question 14: The administrator supports a positive campus climate.

Strongly Disagree: 2%  
Disagree: 4%  
Neutral: 15%  
Agree: 46%  
Strongly Agree: 33%

Question 15: The administrator listens attentively to understand my needs.

Strongly Disagree: 8%  
Disagree: 0%  
Neutral: 6%  
Agree: 46%  
Strongly Agree: 40%

**Assistant Principal Bradley Hooper**

Question 1: My Assistant Principal supports a positive campus culture.

Strongly Disagree: 2%  
Disagree: 0%  
Neutral: 8%  
Agree: 47%  
Strongly Agree: 43%

Question 2: My Assistant Principal communicates effectively and in a professional manner.

Strongly Disagree: 4%

Disagree: 2%

Neutral: 4%

Agree: 42%

Strongly Agree: 49%

Question 3: My Assistant Principal has a strong understanding of instruction.

Strongly Disagree: 2%

Disagree: 2%

Neutral: 9%

Agree: 57%

Strongly Agree: 30%

Question 4: My Assistant Principal addresses discipline and safety issues in a timely and equitable manner.

Strongly Disagree: 4%

Disagree: 8%

Neutral: 12%

Agree: 26%

Strongly Agree: 27%

Question 5: My Assistant Principal is visible throughout the building.

Strongly Disagree: 6%

Disagree: 0%

Neutral: 4%

Agree: 35%

Strongly Agree: 28%

Mid-year and end-of-year comparisons and reflections:

	Mid-Year	End of Year
<b>Highest 3 Indicators</b> (combined Strongly Agree and Agree)	1 <sup>st</sup> : The Administrator treats me with respect. (92.6%)	1 <sup>st</sup> : The administrator is visible throughout the building (87.2%)
	2 <sup>nd</sup> : The administrator communicates effectively and in a professional manner. (87.8%)	2 <sup>nd</sup> : The administrator interactions with students, staff is respectful and professional (87.04%)
	3 <sup>rd</sup> : The administrator supports a positive campus climate. (87.8%)	3 <sup>rd</sup> : The administrator has a strong understanding of instruction. (83.63%)
<b>Lowest 3 Indicators</b> (combined Strongly Agree and Agree)	1 <sup>st</sup> : The administrator addresses parent concerns fairly and with consistency. (65.8%)	1 <sup>st</sup> : The administration addresses parent concerns fairly and with consistency. (75.48%)
	2 <sup>nd</sup> : The administrator communicates effectively and in a professional manner. (63.4%)	2 <sup>nd</sup> : The administrator addresses discipline and safety issues in a timely and equitable manner. (67.27%)
	3 <sup>rd</sup> : Campus morale is high. (59.4%)	3 <sup>rd</sup> : The campus morale is high. (54.54%)

	Reflections and actions Mid year
Highest	<p>Why are these indicators scoring the highest?</p> <p><b><i>The staff really values the collaborative approach that we use to make decisions-everything from the building schedule to duty schedules are worked out with staff input.</i></b></p> <p><b><i>Admin attempts to be available at all times for questions, concerns, and just chit-chat to help staff feel valued and heard.</i></b></p> <p><b><i>Admin works in all areas of the building to ensure that staff sees there is no job that staff is asked to do that admin won't do.</i></b></p> <p><b><i>Admin works to handle parent concerns on the front end and save teachers from a back and forth discussion with an upset parent, even to the point of giving out direct office numbers so parents can contact admin directly with concerns.</i></b></p> <p>What are you doing/will you do to maintain this satisfaction?</p> <p><b><i>Continue to spend time interacting with the staff and making communication with them a priority.</i></b></p> <p><b><i>Really listening to their input and having a collaborative decision-making process.</i></b></p> <p><b><i>Respecting staff members for the professionals they are and valuing their contributions to the campus.</i></b></p>
Lowest	<p>What is your draft plan to improve these indicators?</p> <ul style="list-style-type: none"> <li><b>-more positive recognition for staff</b></li> <li><b>-improvement in the admin-teacher-parent communication cycle</b></li> <li><b>-help staff clearly understand the reason for behavior consequences</b></li> </ul>

	Reflections and actions End of Year
Highest	<p>Why are these indicators scoring the highest? What are you doing/will you do to maintain this satisfaction?</p> <p><b><i>*Admin make a conscious effort to be out and about during the day, assisting where needed and being available for staff.</i></b></p> <p><b><i>*Admin strive to be professional at all times with students and staff. Some days and situations are more challenging than others.</i></b></p> <p><b><i>*Admin attend all trainings provided to us so we are aware of what the teachers are hearing in regards to curriculum and instruction. We also listen to the teachers when they express concerns about curriculum/instruction and try to make as much of an adjustment as possible to benefit our Colony Bend students. All information received by admin is distributed to the staff in a timely manner.</i></b></p>
Lowest	<p>What is your draft plan to improve these indicators?</p> <p><b>-more positive recognition for staff throughout the year and remembering to celebrate even the small accomplishments</b></p> <p><b>-improvement in the admin-teacher-parent communication cycle-admin needs to make teachers more aware of the communication between admin and parents and how incidents are being handled.</b></p> <p><b>-help staff clearly understand the reason for behavior consequences and the limits to the consequences set forth by the district student code of conduct</b></p> <p><b>-campus morale always seems to be a challenge. It is unclear what the root cause of this low score on every survey. Staff will report that “morale is low” but campus admin are limited in adjustments that can be made to district expectations or the lack of parental involvement. More clarification is needed as to what is in campus control to improve morale. 85% of the staff indicated they will stay at CBE.</b></p>

## **Perceptions Strengths**

Parent Survey:

Parent communication, utilizing parent feedback,

## **Problem Statements Identifying Perceptions Needs**

**Problem Statement 1:** Parents and staff report on surveys that the way discipline is handled seems unfair or unclear.

**Root Cause:** Often discipline consequences are confidential and admin may not provide enough clarity around those consequences or contact with families.

# Priority Problem Statements

**Problem Statement 1:** At least half of our special education and LEP students are not making a year's growth in reading and math according to BOY, MOY, EOY REN data.

**Root Cause 1:** Our SPED population is currently is over 90 students and our LEP students number around 225. These students come with a range of abilities and language acquisition requiring intervention to be individualized.

**Problem Statement 1 Areas:** Student Learning

**Problem Statement 2:** Math scores are lower than expected on REN and STAAR.

**Root Cause 2:** A half time math specialist is limited in the number of students she is able to meet with on the campus. This increases the number of students teachers are working with to remediate math skills with in the classroom.

**Problem Statement 2 Areas:** School Processes & Programs

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- District goals
- Campus goals
- Planning and decision making committee(s) meeting data

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain

## Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Prekindergarten Self-Assessment Tool
- Texas approved PreK - 2nd grade assessment data
- Texas approved Prekindergarten and Kindergarten assessment data

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

## Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Student surveys and/or other feedback

- School safety data

### **Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- T-TESS data

### **Parent/Community Data**

- Parent surveys and/or other feedback

# Goals

**Goal 1:** FBISD will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students.

**Performance Objective 1:** By May of 2025, Colony Bend Elementary will improve the effectiveness of math and science instruction through targeted instruction addressing identified TEKS and aligned curriculum as evidenced through the indicators of success.

**Indicators of Success:** Formative Evidence: .

- From BOY to MOY, increase the percentage of classrooms aligned to the instructional model to 85% compliance.
- From MOY to EOY, increase the percentage of classrooms aligned to the instructional model to 100% compliance.
- From BOY to EOY, ensure that grade level PLC & SST meetings maintain focus on targeted TEKS with 100% compliance.
- For grades K-5, from BOY to EOY, ensure that all classrooms are implementing science curriculum with 100% compliance.

Summative Evidence:

- By January 2025, 100% of students will show a 1.5 year's growth in math and as evidenced by MAP testing, DLAs.
- By May 2025, 80% of students will show a year's growth in reading and math as evidenced by MAP
- By June 2025, increase Math STAAR results with the "Meets Grade Level" designation by 10%
- By June 2025, increase Math STAAR results with the "Masters Grade Level" designation by 10%
- By June 2025, increase Reading STAAR results with the "Meets Grade Level" designation by 10%.
- By June 2025, increase Reading STAAR results with the "Masters Grade Level" designation by 10%.
- By June 2025, T-TESS and campus walkthrough data will indicate 100% compliance with implementation of the instructional model.
- By June 2025, (for grades K-3), T-TESS and campus walkthrough data will indicate 100% compliance with the implementation of the science curriculum.

Strategy 1 Details	Reviews

**Goal 1:** FBISD will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students.

**Performance Objective 2:** By May of 2025, Colony Bend Elementary will improve the effectiveness of math instruction for students receiving special education services through the implementation of targeted TEKS instruction carried out with fidelity, as evidenced through the indicators of success.

**Indicators of Success:** Formative Evidence:

From BOY to EOY, ensure Special Education students are receiving all services according to their IEP with 100% compliance.

From BOY to EOY, hold regular meetings with the campus Special Education team to assess student progress and instructional practices.

From BOY to EOY, ensure that case managers are following district protocols for student progress monitoring, holding ARD meetings for students that fail any academic subject with 100% compliance.

Summative Evidence:

By January 2025, 100% of students will show a 1.5 year's growth in math as evidenced by MAP testing.

By May 2025, 100% of students will show a 1.5 year's growth in reading as evidenced by MAP testing.

By January 2025, 100% of students will show a 1.5 year's growth in math as evidenced by MAP testing.

By May 2025, 100% of students will show a 1.5 year's growth in reading and math as evidenced by MAP testing.

**Goal 1:** FBISD will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students.

**Performance Objective 3:** By May of 2025, Colony Bend Elementary will improve the effectiveness of responsive instruction through effective SST meetings, involving the review of relevant data showing students progress on designated TEKS, as evidenced by the indicators of success.

**Indicators of Success:** Formative Evidence:

- From BOY to EOY, ensure that grade level PLC meetings have a focus on breaking down the targeted TEKS and are aligned with the district curriculum with 100% compliance.
- From BOY to EOY, ensure that grade level PLC meetings include a Special Education representative with 100% compliance., at least once a month.
- From BOY to EOY, ensure that grade level PLC and SST meetings include both formal and informal data sources with 100% compliance.

Summative Evidence:

- By January 2025, 100%of students will show a 1.5 year's growth in reading and math as evidenced by MAP testing.
- By May 2025, 100% of students will show a 1.5 year's growth in reading and math as evidenced by MAP testing.
- By June 2025, increase Math STAAR results with the "Meets Grade Level" designation by 10%.
- By June 2025, increase Math STAAR results with the "Masters Grade Level" designation by 10%.
- By June 2025, increase 5th grade Science STAAR results with the "Meets Grade Level" designation by 10%
- By June 2025, increase 5th grade Science STAAR results with the "Masters Grade Level" designation by 10%

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> Teachers will participate in PLCS biweekly and engage in a discussion of student data and progress towards mastery of selected grade level TEKS in math and science.</p> <p><b>Strategy's Expected Result/Impact:</b> Teachers will follow district scope and sequence and curriculum with additional focus on selected math and science TEKS. Students will show a years growth on those TEKS.</p> <p><b>Staff Responsible for Monitoring:</b> Administration</p> <p><b>ESF Levers:</b> Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction</p>	Formative			Summative
	Oct	Dec	Feb	June

<p style="text-align: center;">  No Progress                 Accomplished                 Continue/Modify                 Discontinue         </p>				

**Goal 2:** FBISD will provide a positive culture and climate that provides a safe and supportive environment for learning and working.

**Performance Objective 1:** By May 2025, Colony Bend Elementary will empower students to take ownership of their behavior by providing PBIS and classrooms systems to reduce negative behaviors that are a direct result of lack of social/emotional skills through the implementation of the campus mentoring program, grade level PBIS meetings, and the school wide use of Eagle Buck incentives and Eagle Buck celebrations.

**Indicators of Success:** Formative Evidence:

From BOY to EOY, all grade levels will have participated in at least four PBIS refresher meetings.

From BOY to EOY, at least 30% of CBE staff members will be mentoring a student indicated as needing additional support.

From BOY to EOY, all of CBE staff will be involved in the distribution of Eagle Bucks as incentives for positive behaviors.

Summative Evidence:

By June 2025, 95% of students with a discipline referral on record will have an in-person discussion regarding the behavior with Assistant Principal or other administrator.

By June 2025, via survey, 90% of staff will strongly agree or agree with the statement "My Assistant Principal/Associate Principal addresses discipline and safety issues in a timely and equitable manner." (up from 87% in May 2024).
