Black History Month

In honor of Black History Month, our campus will be decorating the main hallway with student work recognizing influential figures in Black history. In addition, the “No Place for Hate” club will be creating posters dedicated to many important Black leaders and trailblazers. See more information and pictures on [page 3](#).

Black History Month

KJ and Kairo Williams kicked off this celebratory month on our morning announcements. Mrs. Williams decorated our walls with beautiful and informative posters with significant black men & women in our history.

As a campus community, we also want to take intentional time to honor Fort Bend ISD schools that are named after impactful African American figures who have shaped our district, county, state, and nation:

- **Thurgood Marshall High School** – Named after Thurgood Marshall, the first African American Supreme Court Justice.
- **Billy Baines Middle School** – Named after Billy Baines, the first African American principal appointed in Fort Bend ISD.
- **Arizona Fleming Elementary School** – Honors Arizona Fleming, an African American woman who courageously fought for voting rights in Fort Bend County.
- **Barbara Jordan Elementary School** – Named after Barbara Jordan, the first African American woman elected to the Texas Senate.
- **Burton Elementary School** – Dedicated to the first African American sheriff in Fort Bend County.

Through these activities, we aim to celebrate history, inspire our students, and recognize the lasting contributions of African American leaders within our own community and beyond.
