INTRODUCTION

Philosophy

The Board believes that student activities provide opportunities for students to practice and demonstrate the attributes of the Profile of a Graduate. As such, the District shall encourage participation in student activities, engage students through inclusive and collaborative experiences, and allow students the opportunity to create and participate in student organizations and student groups.

Purpose

The District's Fine Arts Program Handbook provides procedures and guidelines governing District Fine Arts programs. The basis for these procedures and guidelines includes the Texas Education Code, FBISD Board of Trustee Legal and Local policy, District Administrative Regulations, Texas Education Agency code, University Interscholastic League rules, and the historic practices of the District and Fine Arts Department. This handbook does not supersede the aforementioned documents; rather, it intends to clarify practices for administrators, teachers, parents, and students.

Fort Bend ISD Mission

Fort Bend ISD exists to inspire and equip all students to pursue futures beyond what they can imagine.

Fort Bend ISD Vision

Fort Bend ISD will graduate students who exhibit the attributes of the District's Profile of a Graduate.

Fine Arts Department Mission

The Fort Bend ISD Department of Fine Arts exists to inspire artistry and equip students to reach their full potential, thus creating opportunities without boundaries.

Fine Arts Department Vision

Fort Bend ISD will be the premier school district for Fine Arts education in the nation.

FINE ARTS DEPARTMENT CORE BELIEFS & COMMITMENTS

Core Belief 1: All individuals possess innate artistic potential, which is best developed...

...through the creative process.

Commitment: FBISD Fine Arts will foster the creative process in all students.

...in an environment of trust.

Commitment: FBISD Fine Arts will ensure safe learning environments that encourage risk taking and individuality.

...through opportunities for artistic expression.

Commitment: FBISD Fine Arts will provide artistic opportunities for students to stretch and explore the full range of their abilities.

Core Belief 2: Teaching a love for the Arts empowers students to develop skills for life, which is best accomplished...

...by impassioned Artist-Teachers.

Commitment: FBISD Fine Arts will recruit, develop, and retain teachers who will inspire a love for the Arts.

...with the appropriate tools.

Commitment: FBISD Fine Arts will provide resources to grow students creatively and artistically.

...through effective teaching and learning.

Commitment: FBISD Fine Arts will meet the artistic needs of a diverse population through effective instruction.

...by cultivating the attributes of the Profile of a Graduate.

Commitment: FBISD Fine Arts will nurture skills essential for future success through a rigorous Arts curriculum.

Fort Bend ISD Profile of a Graduate

A Fort Bend ISD Graduate has a rigorous academic foundation, strong character, and is... ..equipped with skills for life.

...a servant leader.

...an effective communicator.

...a critical thinker.

...a compassionate citizen.

...a collaborative team member.

...a life-long learner.

The study of the Arts equips students with higher-order thinking skills, fosters character traits, and develops the traits listed in the FBISD Profile of the Graduate...

...equipped with skills for life

Participation in the performing and visual arts promotes skills such as creativity, collaboration, critical thinking, and communication. Daniel Pink declared in his groundbreaking book, *A Whole New Mind*, the ability to think conceptually and creatively is an indispensable skill for the 21st Century workforce. Studying the Arts develops these cognitive abilities exponentially. The Arts prepare students for careers yet to be invented and removes boundaries for future success.

...a servant leader

Leadership is fostered through all Artistic disciplines. In Band courses, drum majors, drill instructors, and section leaders learn how to assist with limited teaching responsibilities and lead by example during summer leadership training. In Dance Team courses, student officers attend a one-week summer camp alongside their directors to develop their leadership skills and hone their ability to write and teach choreography. Performing Arts programs develop leaders by electing officers, assigning roles such as stage, equipment, and costume/uniform managers, and promoting participation in honor societies such as the National Art Honor Society and Tri-M Music Honor Society.

...an effective communicator

Students communicate both verbally and non-verbally in cooperative communities of Artists. Student-artists evaluate their own and their peers' work, offer descriptive feedback, and revise their performances through collaborative goal setting. Performing Arts student leaders motivate and manage large groups of their peers through public speaking and other effective communication skills, developing self-confidence.

...a critical thinker

Performing Arts disciplines are skills-based: engaging in the continuous improvement cycle, evaluating one's performances critically, and accepting constructive feedback with a growth mindset in service of improving one's Artistic skills are essential dispositions students acquire through studying the Arts. Performing Arts disciplines are both process- and product-oriented: products flow from the process; therefore, students can learn concepts quickly and apply them flexibly in many contexts. Process skills transfer to all real-world applications. Student-artists can think critically and problem-solve on the spot, making rapid adjustments in new performance spaces or using different media.

...a compassionate citizen

Students enrolled in Performing Arts programs regularly volunteer their time to complete community service projects. Artistic creativity is uniquely human. The sensitivity learned through studying the Arts

generalizes to our citizenry and motivates compassionate action in service to the community. Artists not only observe their current environment, but they also visualize future possibilities. Our student-artists perform nationally and internationally; travel affords a wider perspective on life.

...a collaborative team member

Performing artists work together to create a unified product, whether it is a marching band show, a theatrical production, a dance recital, or a large musical ensemble. Students with diverse backgrounds, abilities, and experiences work together to create a unified performance. Student-artists respond sensitively to their peers by making critical adjustments in the moment such as humoring the pitch during a musical performance, shifting spacing during a dance recital, or altering a theatrical role during a play.

...a life-long learner

Students simultaneously draw from both hemispheres of the brain, joining logical-sequential intelligence with holistic-intuitive thinking to create Artistic products. Studying the Arts instills a wonder for life and a sense of curiosity. The Arts fulfill students' need for creativity and inspire them to see beyond their limited experiences.

ELEMENTS COMMON TO ALL FINE ARTS PROGRAMS

About this Handbook

This handbook is a resource of information on the procedures and activities of this District's Fine Arts programs. Program directors issue this handbook to student members and parents to provide basic information regarding the instructional program. All student members and parents are responsible for familiarizing themselves with the contents of this handbook and must complete and return the enclosed Handbook Signature Form and Emergency Contact Form to participate in the program. This handbook functions in harmony with the FBISD Board policies, administrative regulations, and the FBISD Student/Parent Handbook. This handbook is a living document.

Attendance

Most Fine Arts courses require some rehearsals and performances outside of the school day. Student members are required to attend *all* activities, rehearsals, and performances. Those who must miss a rehearsal, activity, or performance must consult with one of the directors *WELL IN ADVANCE* of the function. In every case, the director will work with the student to see that his/her best interests are met. Keep in mind that a performance has priority over a practice in any activity.

Absences

Students' absences are categorized as follows:

- An excused absence is one that the director has prior knowledge of and/or is based on an acceptable reason.
- An unexcused absence is one that the director has no prior knowledge of and/or is based on a reason that is unacceptable.

Written communication and documentation are required for absences from required/graded events. Acceptable reasons for an absence include a medical emergency or illness, a death in the family, a religious holiday, or a family emergency. Circumstances *may* justify an excused absence for reasons other than those listed above in accordance with District policy. However, justification is determined at the discretion of the directors and no absence is guaranteed to be excused. Scheduling conflicts are not considered acceptable reasons for an absence.

Failure to notify directors well in advance of an excused absence will constitute an unexcused absence. Multiple unexcused absences from rehearsals and/or performances demonstrate a lack of dependability in accepting the responsibility of group membership. Failure to attend a rehearsal, activity, or performance without prior permission or good cause may result in suspension from future activities or performances, grade deduction, reassignment to a lower performing ensemble, or removal from the course.

Grade Deductions

Students may have points deducted for unexcused absences as follows:

- Unexcused absence from rehearsals or practices that are extensions of classroom activities such as section rehearsals = two daily grades.
- Unexcused absence from a performance that is an extension of classroom activities, such as school concerts or UIL Concert/Sight-reading Evaluation, which do not meet the definition of extracurricular = two major grades.

Rehearsal/Performance Schedules

Program directors will e-mail or post a calendar of rehearsals, performances, and activities for the upcoming year on a website, Presto Assistant, or Schoology during the summer break. Directors will provide a revised calendar at the beginning of the school year, post it on Presto Assistant, or post it on Schoology. Please check the calendar and report any conflicts to the directors. Attendance at all performances and rehearsals is a requirement of the class. If an excused absence is anticipated, written notification should be submitted as soon as the student/parents are aware of the conflict and no later than two days in advance of a rehearsal or at least two weeks in advance of a performance (see excused absence above).

Audition Procedures

Prior to the academic school year, ALL students will audition for placement in one of the program's performing arts classes. This placement will be determined by an audition on materials selected by the director, consideration of the student's past artistic, musical, theatrical, or dance performance, and/or recommendation from previous director(s) only. Students auditioning for the top performing ensembles or groups may be required to meet additional prerequisites of the organization(s) concerning grade level, audition material, and past artistic, musical, theatrical, or dance performance. No position is guaranteed in any ensemble to any student, regardless of a student's seniority, ability, or other merit. The directors reserve the right to move a student to a different ensemble if they deem it necessary for the student or the ensemble. Any student that does not complete the audition process will be placed in the appropriate entry-level class. Director placement is final and non-negotiable.

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. No qualified disabled student shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any District service, program, or activity.

The District takes steps, including the provision of supplementary aids and services determined appropriate and necessary, to provide nonacademic and extracurricular services and activities in the manner necessary to afford children with disabilities an equal opportunity for participation in those services and activities. Any student with a disability requiring reasonable accommodations for participation in any District service, program, or activity should contact their campus to request a meeting of their student's Section 504 committee or ARD Committee. Questions regarding District policies and procedures can be addressed to the Executive Director of Student Support Services at 281-634-1143.

Parent Booster Clubs

The main objectives of the program's parent booster club are to support and enhance the instructional program and to provide program communication to students and parents. The booster club does not take any role in determining program or educational decisions. All parents are encouraged to become members of the booster club. Participation is optional. Attendance at all performances and meetings is encouraged. There are various expenses necessary to run a quality Fine Arts program, which may not be covered by the District. Such expenses include expert clinicians, contest fees and expenses, meals for students, student leadership conferences, student scholarships, etc. Much of the booster club budget is spent on educational activities. We encourage all parents and students to participate in booster club fundraising activities throughout the school year.

Conduct and Due Process

Organizations with high performance standards also must have high disciplinary standards. Students represent themselves, their family, their community, their District, and their school at every activity. All students will always conduct themselves properly. Display of temper, profanity, flagrant violation of rules, possession of or being under the influence of drugs or alcohol, etc. will not be tolerated. Any behavior that is not conducive to good citizenship will subject the student to “Due Process” that may result in *dismissal* from the organization. “Due Process” shall be defined as a student’s right to discuss with the instructor and principal any decision regarding action that would result in the student’s loss of grade, suspension from activities, or expulsion from the organization.

Due Process will be followed precisely as outlined in the FBISD Student/Parent Handbook. Students and/or parents may discuss any item of concern with their respective directors at an appropriate time in the appropriate place. If a satisfactory resolution has not been reached, the students/parents may contact the student’s grade-level principal to discuss the matter further. If the concern has not been resolved either by the directors or by the grade-level principal, the parents may contact the campus principal to address their concern.

Online Decorum

As role models and representatives of the District and Campus, students and parents must maintain a high standard of online conduct regarding the District and District programs. The internet is a worldwide, publicly accessible form of communication. Any communication such as Facebook, Twitter, Instagram, TikTok, emailing, texting, or other online forums, etc., appearing on the internet may become public, even if it is marked private. Students are responsible for their personal websites and postings, as well as their activity on other websites or platforms. Student members will not post on social media as official representatives of the instructional program, school, or District.

A student member may not engage in online conduct implicating the District or campus’s programs or operations when the online conduct:

- may reasonably result in a material or substantial disruption to the school environment or program;
- infringes on the rights of others;
- could be interpreted as bullying, harassment, threatening towards District staff or other students;
- demonstrates poor sportsmanship or a disrespectful attitude towards other programs; or
- otherwise violates the Student Code of Conduct.

Any such incident will result in review by the director (or designee) and may lead to probation or dismissal from the program.

ELIGIBILITY

Academic Eligibility Rules

A student shall be suspended from participation in all extra-curricular activities sponsored or sanctioned by the District during the three-week period following a grade reporting period in which the student received a grade lower than seventy (70) in any class other than an identified eligibility-exempt high school course. This suspension continues for at least three weeks and is not removed during the school year until the student's grade in each class, other than an identified eligibility-exempt high school course, is seventy (70) or greater. A student may continue to practice or rehearse with other students for an extracurricular activity but may not participate in such an activity until the suspension is lifted. A suspended student may regain eligibility seven days after the grading period ends or seven days after a three-week evaluation period.

Additional Eligibility Rules for High School

A student must meet the following requirements to participate in extracurricular activities during the first six weeks of the fall semester.

- NINTH GRADE – PROMOTED from the eighth grade to the ninth grade.
- TENTH GRADE – earned at least five (5) state approved credits toward graduation.
- ELEVENTH GRADE – earned at least ten (10) state approved credits toward graduation, or during the preceding twelve months he/she must have earned five (5) state approved credits.
- TWELFTH GRADE – earned at least fifteen (15) state approved credits toward graduation, or during the preceding twelve months, he/she must have earned five (5) state approved credit.

Extracurricular

An activity is considered extracurricular if any one of the following criteria apply:

1. The activity is competitive;
2. The activity is held in conjunction with another activity that is considered to be extracurricular;
3. The activity is held off campus, except in the case in which adequate facilities do not exist on campus;
4. The general public is invited; or
5. An admission is charged.

Co-Curricular

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved course that requires demonstration of the mastery of the essential knowledge and skills (TEKS) in a public performance, may participate in the performance subject to the following requirements and limitations:

1. Only the extracurricular criterion #4 listed above applies to the performance; and
2. The requirement for student participation in public is stated in the essential knowledge and skills (TEKS) of the course.

A student ineligible to participate in an extracurricular activity, but who is enrolled in a state-approved music course that participates in UIL Concert and Sight-reading Evaluation, may perform with the ensemble during the UIL evaluation performance.

Eligibility Rules Relating to UIL Competition

No student may take part in any University Interscholastic League competition who, at the time of the contest, has not been a bona fide regular attendant of the school for fifteen (15) calendar days, or since the sixth day of the current school year. No student shall take part in any UIL contest after the end of the fourth consecutive year following enrollment in the ninth grade, and/or third consecutive year following enrollment in the tenth grade.

No school may issue, and no student may receive an award for participation in interschool competition in excess of \$50.00 (or the equivalent in value) during his/her high school enrollment in the same high school. Additional symbolic awards not to exceed \$8.00 each may be presented for each additional inter school activity each year.

Students must abide by all other rules as set forth by the University Interscholastic League in Austin, Texas.

GRADING

Learning objectives are based on performance skills, responsibility, and participation. Therefore, students are expected to fulfill individual as well as group responsibilities. Since Fine Arts courses are a performance based, team activities, all students are required to attend all performances, and rehearsals (see Attendance above).

Daily Grades (50%)

Daily grades may include but are not limited to daily class participation, preparation, written quizzes, performance quizzes, material checks, posture checks, as well as before and/or after school rehearsals. All before/after school rehearsal, which are an extension of classroom activities such as section rehearsals, are counted as two daily grades.

Major Grades (50%)

Major grades may include but are not limited to performance tests, written tests, co-curricular performances, and special projects. All performances, which are an extension of classroom activities such as school concerts, are counted as two major grades.

Motivational Plan/Reluctant Students/Retesting

- Students will be encouraged to demonstrate proficiency on core competencies. Students will be given regular graded assessments to provide opportunities for director feedback. Students may be asked to perform in class individually or as a member of a small group to demonstrate proficiency of core competencies.
- Directors or peer tutors will work with reluctant students in a one-on-one tutoring situation to reteach concepts and encourage reluctant students to demonstrate proficiency on core competencies.
- Students may retest as many times as necessary to demonstrate proficiency on assessments. No points on numerical grades will be deducted when retesting. Directors will update grades accordingly upon demonstration of proficiency through re-retesting until the last day of the current nine-week grading term.

Conduct Grades

- A student merits a conduct grade of “E” when he/she consistently fulfills all classroom expectations.
- A student merits a conduct grade of “S” when he/she regularly fulfills most classroom expectations.
- A student merits a conduct grade of “N” when he/she does not fulfill classroom expectations regularly and director feedback is occasionally necessary.
- A student merits a conduct grade of “U” when he/she does not fulfill classroom expectations, is disruptive to the educational process, and director feedback is necessary regularly.

CLASSROOM MATERIALS

Individual Equipment

For our instructional programs to operate at the highest level, students may be required to purchase some materials, such as instruments, accessories, uniforms, notebooks, method books, scripts, art supplies, computer programs or apps, as well as practice wear including shoes, undergarments, and shirts in order to participate in Fine Arts courses. Students may have purchased some items at the middle school and would not need to “upgrade” in high school unless they no longer are adequate (defective, too small, etc.). Some items are instrument specific. We expect all instrumentalists to have working instruments and equipment. A student cannot be successful in learning an instrument if their instrument or equipment is not working properly. The District does not provide insurance for individually owned equipment.

The District will not deny participation to any student in any Fine Arts program where the cost of individual equipment and/or materials required for the course becomes a financial barrier for the students and parents. Please contact the program director if financial assistance is needed to purchase required equipment and/or supplies for the program.

Personal Instruments

A quality music program requires quality musical instruments. A list of recommended instruments is available from the program directors. If a purchase is required, the staff will be most happy to consult with the student and parents to avoid an inappropriate purchase and to assist in obtaining the best possible price for the instrument. Please consult with the directors before making any purchase of a musical instrument or accessories, as there are countless “knock-off” alternatives to high-quality instruments, which will require frequent maintenance and leave the students dissatisfied with progress. With all personal instruments, it strongly is recommended that the instrument be insured through your homeowner’s policy or a private company. The school district will not assume liability for maintenance, repair, or damage of personal instruments.

School-owned Equipment

The District furnishes school-owned instruments for purposes of avoiding large expenditures to the parent and providing well-rounded instrumentation for the performing organizations. Students must provide some of their own personal accessories such as mouthpiece, various mutes, drumsticks, mallets, and reeds. Each student member is financially responsible for all instrument, equipment, and/or materials checked out to him/her for their personal use. All students using a school-owned instrument are required to pay an Instrument Use Fee of \$80 per year to the District. The student is responsible for damage to the instrument while in his/her possession. Directors will inspect all school-owned instruments at the end of the school year. Student will not be charged for repairs if the instrument becomes damaged due to normal wear and tear. However, damage caused by fire, theft, accidental destruction, abuse, or neglect will be charged to the student. All equipment and materials must be kept in their proper storage location when not in use. Students who use a school-owned instrument will be expected to practice the instrument a reasonable amount of time each day. Failure to do so may result in their instrument being taken up and re-issued to a student who will make better use of it.

Instrument Lockers

All Band and Orchestra students will be assigned a locker for instrument storage during the school day. Students are to keep only their instrument and music in the locker. Students should not keep clothing, shoes, schoolbooks, food, or drinks in their lockers; these items should be kept in school lockers. Directors can/will remove any of these items and/or other belongings from the instrument locker at their discretion.

It is the responsibility of the student to ensure their instrument is secured in their locker with a locked combination lock when not in use. Students must have a lock for their locker – no exceptions. If a lock is misplaced, the student is expected to replace it quickly. Instruments will be taken home daily, over weekends, and school holidays. The District is not responsible for personal items or instruments left in instrument lockers.

MEDICAL FORMS

All Fine Arts students must complete the *FBISD Emergency Contact Form* each year. This form provides consent to treat students if the director or a medical provider cannot reach the parent or guardian. The *FBISD Emergency Contact Form* must accompany students when traveling. No student will travel or perform with the organization without these forms on file. Head directors will track student compliance in *Presto Assistant*.

All Band and Dance Team students must submit the *UIL Preparticipation Physical Evaluation – Medical History* form each year. The head director will review and sign off at the bottom of this form each year. This form also must accompany students when traveling. Head directors will track student compliance in *Presto Assistant*. This form does not replace the *FBISD Emergency Contact Form* listed above; it accompanies it.

All students participating in the Marching Band activity (including Color Guard students) or Dance Teams must have a physical examination prior to participating in outdoor rehearsals. All students are required to have an annual physical examination. Proof of the physical is the *UIL Preparticipation Physical Evaluation – Physical Examination* form, which must be signed by a physician or certified medical professional with the provider's office stamp or business card affixed to the bottom of the form. The head director will enforce compliance with the UIL Marching Band Physical requirement and track student compliance in *Rank One*.

Physical examinations must be completed by an authorized medical provider on or after April 1 to be valid for the next school year. Many insurance companies pay for one wellness check per year. Students should schedule their wellness check to complete their preparticipation physical examination after April 1 and prior to the first Marching Band or Dance Team rehearsal. This includes any May or June "Mini-Camps", Leadership Camps, Percussion Camps, Freshman Camps, Dance Officer Camps, or Dance Team Camps held prior to August 1. Students can obtain a physical examination either by their physician/authorized medical provider or by Houston Methodist at one of the in-District dates/locations.

The physical examination required is considered a "screening physical." The Houston Methodist physicals require no blood, urine, or genital checks. EKG's may be required if indicated by a review of the Medical History form; however, very few students are required to complete the EKG test.

Students are not allowed to attend any rehearsals or performances without the *UIL Preparticipation Physical Evaluation – Medical History* and the *UIL Preparticipation Physical Evaluation – Physical Examination* forms being completed appropriately and submitted to the head directors.

REQUIRED EXPENSES AND FEES

Members of the instructional program may have financial obligations for required materials, such as a uniform or t-shirt, software, activity expenses, member dues, and trip expenses. No student will be denied the privilege of membership or participation in the program when the cost of required expenses and fees becomes a financial barrier. Parents should contact the head director to discuss options in meeting financial obligations or if financial assistance is needed.

Program Fees

Fees are non-negotiable and non-refundable. See specific campus program Addenda for a detailed description of required fees. Any student who voluntarily or involuntarily withdraws from the program will forfeit all deposited funds.

Fund Raising

Fundraising is a vital component to the campus instructional program to provide a healthy variety of activities for student members. The money raised is used for program activities, which are not covered by the Fine Arts budget. Families that do not participate in fundraisers strongly should consider donating to the campus instructional program, as all students benefit from the raising of funds.

In compliance with Internal Revenue Service mandates, all monies earned through fund raising activities belong to the organization's general fund and will be dispersed equally among all student members participating in the activities of the instructional program. There are no refunds granted from fund raising activities.

Refund of Fees

Trip funds may be non-refundable depending on the specific trip payment agreement and date of request. Trip Insurance is available; however, insurance does not cover ineligibility due to failing grades. Any student who voluntarily or involuntarily withdraws from the instructional program will forfeit all deposited monies. Any student's parent may appeal in writing the decision of the staff concerning refunds. Any appeal of this nature must be submitted to the Head Principal.

PRIVATE LESSONS

The District prides itself on having many of the finest private instructors in the Houston area. It is highly encouraged that students take full advantage of the private lesson program. Private lessons are provided for interested students as an enrichment program in all Music and Theatre classes. Private study is encouraged, but not required, to participate in the instructional program. The advantages of a one-on-one experience are overwhelming. Private lesson fees are consistent throughout the District and determined by the Director of Fine Arts. Private lessons are held either during class or after school. Campus program directors hire, supervise, and evaluate their private lesson instructors. Each private lesson instructor must complete a Criminal History Check and pay a Building Use Fee.

MASTERCLASSES AND GUEST CLINICIANS

As an enrichment to students, masterclass teachers and guest clinicians are scheduled to work with our students during some Fine Arts classes. Masterclasses are offered free of charge to students. Additionally, guest clinicians often travel to work with our students in rehearsals or sectionals. Students are expected to show the utmost respect towards these guest clinicians and masterclass teachers. Any student who acts inappropriately towards a guest clinician or masterclass teacher, whether through poor attitude, disrespectful comments, foul language, or any other inappropriate behavior, maybe subject to immediate removal from the instructional program at director's discretion and subject to due process.

TRANSPORTATION

If a student is required to leave from an event or activity during a school trip, the parent/legal guardian of the student must provide written notification to the instructor prior to the student leaving on the trip and the student may leave from the activity only with their parent/guardian as stated in the written notification. Students may not leave any activity during a school trip with anyone except a parent or guardian. A telephone call confirming the written notification also may be requested.

TRAVEL

Parents and students should understand Fine Arts organizations may be involved in out-of-District travel; students who participate in these organizations also must participate in the travel. This may include a limited number of overnight trips for some competitive events. If the parent does not want the student to travel, the student should register for an organization that does travel so extensively.

All members represent the school and community and are expected to conduct themselves in a manner in keeping with the following regulations when traveling within or outside the District:

- Return to the director(s) all completed travel forms by the given deadline;
- Be on time for trips;
- Dress as directed;
- Behave in an appropriate and mannerly fashion in accordance with established Student/Parent Handbook rules while on the bus or in other vehicles, as well as in restaurants and hotels; • Avoid excessive noise on the bus ;
- Travel on the same bus for all segments of the trip;
- Return equipment to its proper storage place upon returning to the school; and
- Promptly obey all instructions given by the director(s) or any chaperone.

Any student who behaves disrespectfully or argues with a parent chaperone while on a trip may be removed from the trip immediately at director's discretion, and parents will be expected to either pick up their student or pay any transportation costs to send the student home.

Overnight Travel Requirements

- Extracurricular trips are not mandatory for any member and will not affect their status or grade in the course in any way. However, students in performing ensembles do have a travel expectation. Additionally, travel to events such as contests, UIL Concert/Sight-reading Evaluation, UIL One-Act Play Contest, Dance competitions, is mandatory. Since participation in our instructional program is a team effort, any student not participating in a trip should advise the directors well in advance of the trip (a minimum of nine weeks). The directors then can initiate alternate arrangements to cover for missing students.
- When traveling, each student must meet all local and state eligibility requirements to participate in the competition. Ineligible students may not travel with the performing group under any circumstances.
- Students must be able to perform the material assigned for the performance(s) satisfactorily.
- Students must attend all scheduled rehearsals in preparation for the trip.
- Students must fulfill their financial obligations.

UNIFORMS

It may be necessary to purchase some materials for uniformity of dress for performance purposes. The District provides uniforms for high school music groups, which are mandatory for participation in performances. The individual student must provide uniform accessories as appropriate. No student will be denied the privilege of membership or participation in the program when the cost of the uniform becomes a financial barrier. Parents should contact the head director to discuss options in meeting financial obligations or if financial assistance is needed. Students are responsible for repair or replacement of any damaged or unreturned uniform parts.

- Concert uniforms may require minor alterations such as adjusting the hem of the pants or dress. Ensure the hem simply is raised or lowered, and that no material is removed from the garment. Students will provide black dress socks, ties, cummerbunds, and undergarments; however, tuxedos and dresses are provided.
- Marching Band uniforms will be stored at school and issued before each performance. These uniforms will be returned after each performance prior to leaving the school. Students are responsible for providing personal accessories to their uniform. These accessories may include gloves, marching shoes, undershirt, t-shirt, etc.
- Dance Team uniforms may be provided at some schools, while other schools may require student members to purchase their own uniforms or uniform accessories, as well as practice clothing.
- Participation in theatrical productions may require a costume rental fee or fee to cover the costs of building a costume.

TECHNOLOGY USE

The director will be very clear in letting students know when it is or is not acceptable to be using personal devices during class time. If a device is visible when not allowed, it may be confiscated.

SCHOLOGY

Schoology (pronounced *skoo-luh-jee*) is the District's learning management system and the primary tool for facilitating blended learning. It is a platform for learning, accessing the curriculum and communicating authentic online learning experiences with parents. It offers students multiple avenues for collaboration, communication, assessment, submitting assignments and discussion boards.

PRESTO ASSISTANT

Presto Assistant is an online database, which among other things, allows for the tracking of student medical forms and District-owned inventory such as instruments, equipment, and uniforms, sheet music, and play scripts. Additionally, students can make payments for program fees, instrument use fees, and other materials through the Presto Assistant. To access Presto Assistant, you will need an invitation from the program director via email message. Once in Presto Assistant, parents will have access to a variety of information and forms. Within the first few weeks of school, all classes will be trained in the use of Presto Assistant.

AUDIO/VIDEO RECORDING

Throughout the year, Fine Arts groups will make audio and video recordings of rehearsals and concerts. These recordings will comply with Texas Education Code, Sec 26.009 subsection (b) which states:

- (b) An employee of a school district is not required to obtain the consent of a child's parent before the employee may make a videotape of a child or authorize the recording of a child's voice if the videotape or voice recording is to be used only for:
 - (1) purposes of safety, including the maintenance of order and discipline in common areas of the school or on school buses;
 - (2) a purpose related to a co-curricular or extracurricular activity;
 - (3) (3) a purpose related to regular classroom instruction; or
 - (4) media coverage of the school.

SECTION 1 – HIGH SCHOOL BAND

The Band Philosophy of Music Education

The High School Band Program aims to support the FBISD Profile of a Graduate through students' participation in instrumental music. Music is a subject that affects many aspects of the human personality. It shapes individuals on an intellectual, physical, emotional, psychological, spiritual, and social level. Instrumental music can foster a lifelong appreciation of music as an art form. Instrumental music also fosters a sense of cultural awareness, as well as an aesthetic appreciation for the arts. The High School Band Program engages students in a group activity that can enrich their life, personally and socially. It develops proper work habits through the successful implementation of a daily practice routine. It develops confidence and promotes students' abilities of self-expression and intelligent listening skills that encourage heightened communication skills. It teaches the ideals of self-discipline, commitment, and teamwork consistently. Through the cooperation of band students, parents, campus administration, the community, and the Fort Bend Independent School District, band directors strive to provide a music program that is recognized consistently as one of the finest of its kind.

Objectives

The High School Band Program, which encompasses wind, percussion, and visual performers, forms an integral part of campus life and is recognized as a co-curricular activity. The High School Band is one of the largest and most visible student organizations on campus, and its members consistently project a positive representation of their community.

The Primary Objective of the band program is to serve its members with the following opportunities for the duration of their membership:

- Cultural Opportunities: To facilitate the continued development of music appreciation and understanding through the study and performance of outstanding music literature.
- Educational Opportunities: To develop interested and discriminating listeners, provide a well-rounded music education, and prepare students for musical and academic pursuits beyond high school.
- Leadership Opportunities: To foster exceptional personal values through the emphasis of teamwork and integrity.
- Service Opportunities: To lend color and atmosphere to certain school and community affairs while promoting and enhancing the distinction and reputation of your school at all appearances.
- Recreational Opportunities: To provide all students with the opportunity for worthy use of leisure time, an emotional outlet, and quality social experiences.

Individual Band Responsibilities

No student is required to take part in the instrumental music program or University Interscholastic League contests; therefore, participation should be considered a PRIVILEGE, not a right (NOTE: this refers to the general student population; enrolled band students are REQUIRED to attend all band rehearsals and performances, and such events are graded). It is imperative that students and parents understand the following rules and procedures.

All students must audition for placement into an ensemble or class. Band members at some campuses may be moved into a different ensemble for the Spring Semester following a mid-year audition.

Performance Responsibilities

Students are placed into an appropriate ensemble based on an audition and director recommendation that will ensure their success and continued musical growth. Our curriculum is designed to improve individual and ensemble performing skills throughout the year. The responsibilities for students in each group are outlined below:

Varsity Band

- Participation in marching band;
- Preparation of All-Region music during the fall semester;
- Participation in All-Region Band auditions (at directors' discretion);
- Participation in UIL Solo/Ensemble Contest;
- Performance of concert music as assigned by directors;
- Attendance at before and after school section rehearsals, master classes, and full band rehearsals;
- Participation in all performance obligations, including approved travel;
- Participation in UIL Varsity Concert/Sight-reading Evaluation during the spring semester; and
- Fulfillment of other requirements as outlined in the handbook addenda.

Non-Varsity and Sub Non-Varsity Bands

- Participation in marching band;
- Preparation of All-Region music during the fall semester (at directors' discretion);
- Participation in All-Region Band auditions (at directors' discretion);
- Participation in UIL Solo/Ensemble Contest;
- Performance of concert music as assigned by directors;
- Attendance at before and after school section rehearsals, master classes, and full band rehearsals;
- Participation in all performance obligations, including approved travel;
- Participation in UIL Non-Varsity Concert/Sight-reading Evaluation during the spring semester (at directors' discretion); and
- Fulfillment of other requirements as outlined in the handbook addenda.

Jazz Band

- Participation in all festivals, concerts, and after-school rehearsals;
- Participation in the TMEA All-Region Jazz Band (at directors' discretion);
- Enrolled concurrently in Concert Band and Jazz Band classes if offered at your campus (except bass and guitar players); and
- Fulfillment of other requirements as outlined in the handbook addenda.

Color Guard or Visual Performers

- Enrolled in the color guard class;
- Participation in marching band;
- Participation in Winter Guard rehearsals and competitions;
- Participation in all other required performances, shows, and concerts; and
- Fulfillment of other requirements as outlined in the handbook addenda.

Attendance

Listed below is additional information related to attendance at High School Band functions:

- Section rehearsals shall be no more than 90 minutes in length and no more than one time per school week, per ensemble. (i.e. students enrolled in multiple groups may have more than one sectional per week).
- Rehearsals shall be during the school day except for section rehearsals, after-school marching band rehearsals, and after-school, concert band rehearsals (see below).

- One full band rehearsal per week outside of the regular school day for each performing concert organization (i.e. Varsity, Non-Varsity, Sub-Non-Varsity, Jazz, etc.). Rehearsals outside of the regular school day for concert organizations shall not exceed two hours per week. Special exceptions may be made for paid clinicians and special occasions, such as dress rehearsals.
- Color guard and winter guard rehearsal schedules are under the discretion of the band directors.
- Regularly scheduled sectionals, rehearsals, and concerts are curricular and have no academic eligibility requirements. Student members are expected to participate fully in all rehearsals regardless of eligibility.
- Students MUST participate fully in all performance activities of the group in which they are a member, including approved travel. After the school year begins, please do not schedule a family event or trip that conflicts with a band function. Work, doctor's appointments unless in the case of emergency, and vacations do not constitute an acceptable excuse from a band function.

Marching Band

The Marching Band consists of every high school band student in grades 9 through 12. The Marching Band will perform at every football game and will attend all scheduled band contests. A complete schedule for marching band rehearsals and performances will be available during the summer months and fall semester on the band website or Presto Assistant. Any alteration in the schedule will be communicated to the students as soon as possible.

Primary and Secondary Marching Positions

Students may be placed in a primary or secondary marching band position according to criteria set by the band directors, including attendance, preparation, playing ability, marching/kinesthetic ability, attitude, and academics. A student may be moved from a primary marching position to a secondary position for a failure to fulfill the factors listed above. This may be done at any time to facilitate the best experience possible for all band members, as well as the best performance possible for the group as a whole. Students in a primary marching position will perform at ALL marching band performances. Students in a secondary marching band position will perform at ALL football games and in various capacities at all marching band competitive performances. All students are required to attend ALL rehearsals. Students with poor attendance may be excluded from marching primary or secondary spots at the director's discretion.

Concert Season

The directors will develop a sectional and rehearsal schedule for each band at the beginning of the spring semester that will be available on the band website and/or Presto Assistant. These sectionals and rehearsals will begin once marching season is over and continue throughout the concert season. When possible, the directors will attempt to schedule sectionals at times that do not conflict with individual students' school-related activities.

Grading Guidelines

Students must be committed to developing individual academic and musical skills and be disciplined with expectations and deadlines. A band member's grade will be an average of the following:

Participation

- The student will receive a grade for his/her participation at each before- and after-school sectional and rehearsal during a grading period.
- The student will be on task and focused during all rehearsals.
- The student will have instrument, music, pencil, and supplies at each rehearsal or sectional.
- The student will be prepared to play his/her part successfully.
- The student will mark music and take notes as needed.

Fundamentals and Skills

- The student will be expected to improve performance fundamentals, which will be evaluated through daily observation during the skill-building part of each rehearsal and sectional. The student will be expected to demonstrate correct posture, hand position, embouchure, breathing, air support, articulation, technique, and attentiveness as observed during rehearsals and sectionals.
- The student will be expected to improve individual and ensemble music skills, which will be evaluated through playing tests and online assessments.
- The student will be expected to develop a historical knowledge of the literature relative to his/her respective instrument, as well as the band and orchestra literature considered canon, which will be assessed through written tests.

Performance

- The student will receive a second grade for his/her performance at each before- and after-school sectional and rehearsal during a grading period.
- The student will receive two grades, one based on performance criteria and the other based on concert etiquette, for each public performance during a grading period.
- The number of performances will be determined by the performance calendar and at the director's discretion.
- If no public performance occurs during a grading period, the performance grade will be based upon criteria determined by the director.

Auditions for Leadership Positions

Auditions for band leadership positions are scheduled and held late in the spring semester and are open to rising sophomores, juniors, and seniors. Auditions are comprised of a tryout process determined by the directors. Dates are posted on the band calendar well in advance of the auditions. Directors and guest adjudicators will evaluate these auditions.

Band Letter Awards

Letter Awards will be presented to Band students (woodwind, brass, and percussion players) based on a point system for participation and service as outlined below.

Activity	Points Awarded
Participation in the Band program each year	2 points
Freshman Region Band	2 points ¹
District Band	2 points ¹
Region Band	3 points ¹
Region Orchestra	3 points
Region Jazz Ensemble	3 points
Area Band	4 points
All-State Band/Jazz/Orchestra	8 points
U.I.L. Solo (Division I)	2 points
U.I.L. Ensemble (Division I)	2 points
T.S.S.E.C. Solo (Division I)	4 points
T.S.S.E.C. Solo (Division II)	2 points

State Ensemble (Division I)	3 points
Performing in the school's musical orchestra	2 points
Performing in the full orchestra	2 points ²
Senior	10 points ³
15 points = Award Letter and eligibility to purchase Jacket/Blanket/Sweater	

Eligibility Points

¹Students receive points for earning a place in one ensemble only. (I.e., 2 points for Freshman Region Band or 2/3 points for District/Region Band, but not both.)

²Points are awarded for participation in UIL Concert/Sight-reading Evaluation only.

³Points are awarded only to students who have not received a Letter Award by their senior year. They may not be used to receive a second Letter Award.

Students may earn no more than one Letter Award per year for participation in the Band program.

A student may purchase only one jacket, sweater, or blanket for combined activities during his/her four years in high school.

Color Guard Letter Awards

Letter Awards will be presented to Color Guard students based on participation in the program for four (4) consecutive semesters: two fall semesters of marching band participation followed by two spring semesters attending Winter Guard competitions (TCGC or WGI).

For schools who do not participate in Winter Guard competitions, students must participate in three fall semesters of marching band to qualify.

Students who have not received a Letter Award by their senior year may qualify with three semesters of consecutive participation in the program (two semesters of marching band participation and one semester attending Winter Guard competitions).

Director Responsibilities

The band staff will enforce District awards rules and regulations, as well as determine when band students will be fitted for Letter Jackets during the school year. It is each student's responsibility to keep track of points earned and notify the directors when he/she thinks that enough points have been earned to merit an award. The directors are responsible to verify that a student has earned enough points to qualify for the award and to communicate to the appropriate assistant principal that an award is warranted. Directors do not order individual Letter Awards or jackets, sweaters, or blankets for students.

Instruments - Individual Equipment

Students will be required to purchase all materials necessary to perform on their instrument as listed below. Additionally, all students must have a pencil, folder for music, and a tuner/metronome.

Woodwinds

- Mouthpiece as designated by the band director;
- Cork Grease for reed instruments;
- Three high quality reeds to be rotated daily; and
- Cleaning swab to be used daily.

Brass

- Mouthpiece as designated by the band director;
- Valve oil/rotary oil for horns and tubas;
- Slide Grease; and
- Slide-O-Mix and spray bottle for Trombones.

Percussion

- Stick bag;
- Concert Snare sticks;
2 pairs of yarn mallets;
- 1 pair of hard rubber mallets;
- 1 pair of general timpani mallets; and • Vic Firth 12" Heavy Hitter practice pad.

Percussion Specialists will determine what specific stick and mallet brands/models, as well as stick bags, are required based on program needs and availability.

Marching Band

The marching band is a highly visible aspect of the band program, which provides performance opportunities for band students and integrates band into school and community activities. It is the District's philosophy that marching band is an integral part of each band program and an essential ingredient in a well-rounded music education. The District believes that students need to develop the ability to participate and perform in different ensemble experience, which includes the marching band.

Summer Rehearsals

There will be a series of summer rehearsals prior to the beginning of the school year, which all students participating in the marching band MUST attend. These rehearsals will begin prior to the beginning of school; rehearsals are held daily, except for weekends, until school begins.

State Curriculum Requirements

The music and performance skills and techniques, along with the associated academic skills in the band program, are derived from implementation of the expectations found in the Texas Essential Knowledge and Skills (TEKS). The curriculum specifically includes requirements such as demonstrating musical skills and artistry, performing in different musical mediums, and experiencing music through a wider range of music literature, which all are addressed through the marching band. Each performance by the marching band provides students the opportunity to demonstrate musical artistry through the ensemble, individual music performance skills and techniques, marching performance skills and techniques, and critical thinking skills that include auditory, spatial, and visual awareness.

Participation

Marching band is required for all high school students who elect to take the academic band performance or color guard courses. Exceptions are not granted for those students who play a school sponsored sport that conflicts with Marching Band, such as football and volleyball. Students will be required to participate to a limited degree in the marching band. Directors will determine what role these students will take. Any other conflicts should be addressed with the directors before the beginning of summer band in August.

Academic Standards

The opportunity for weekly performance is a motivating factor for academic achievement for marching band students, since only by maintaining eligibility can they continue to perform in the contest drill.

Competitions

The marching band will attend UIL Marching Contests. The marching band may enter other additional marching contests as determined by directors.

Grading

Since marching band is a part of the academic band course and therefore, part of the graded curriculum, students in marching band are responsible for assimilating the academic aspects of the band elective as found in the Texas Essential Knowledge and Skills (TEKS). Attendance at rehearsals and performances is mandatory (see the Attendance section above) and will be integrated into the students' grade for band in accordance with the TEA/UIL guidelines and District policies/procedures.

Physical Education Substitution

As an artistic endeavor, each rehearsal and performance by the marching band is demanding, both mentally and physically. For the full marching band performance, students are always on task and must bring to the experience their best performance skills. As a result, each freshman and sophomore band student will be enrolled concurrently in a pass/fail, 0.5-credit, Physical Education Substitution course during the fall semester. Upon successful participation in the after-school marching band activity during the fall semester, students will earn credit toward fulfilling the physical education graduation requirement in accordance with TEA guidelines and District policies/procedures.

Instruments

Marching band students who play an instrument that the District does not provide must personally supply, march, and perform with the same instrument they use for concert band or obtain a second instrument that is listed on the District recommended instrument list. (i.e., bassoon students may be asked to perform on a saxophone).

The District assumes no responsibility for maintaining instruments they do not supply. Since these instruments will be played outside in various weather situations (i.e. sun, heat, wind, rain, etc.), students and parents need to be vigilant regarding instrument maintenance to keep the student's instrument in good playing condition.

Practice Time Limits

Marching Band rehearsal times are closely regulated by TEA/UIL guidelines. Adherence to these guidelines is the responsibility of the Head Band Director and is monitored by the Director of Fine Arts. TEA and UIL rules state:

The members of marching band or any of its components may not begin the marching preparation for a UIL contest presentation prior to August 1st. In addition, no more than ten hours of director-supervised instructional time may be devoted to marching fundamentals between the end of the previous school term and August 1st.

Music preparation is not affected by this ten-hour rule between August 1 and the first day of school. Practice schedules outside of the school day are determined by the Head Band Director and Principal. During the school year, no more than eight (8) hours of rehearsal per calendar week, outside of the school day, is allowed. Exceptions to the Eight Hour Rule include:

- Once the school year begins, Districts of Innovation are allowed to rehearse eight (8) hours during the school week, defined as starting at midnight on the first day of instruction and ending at the end of school day on the last day of instruction, through the Labor Day weekend.
- Preparation immediately before games and competitions.

Summer Heat Guidelines

- Rehearsal dress includes lightweight clothing, hat or cap, tennis shoes (i.e. cross trainers preferred), and socks. For health and safety reasons, students will not be allowed to march in any other footwear (i.e. this includes boat shoes, slippers, etc.).
- Students must have their individual water jug labeled with them at all rehearsals. Water jugs will be kept on the sideline, lined up along with backpacks and cases (for woodwinds), and frequent water breaks will be taken.
- Students should eat breakfast and drink plenty of fluids before morning rehearsals. Good nutrition is vital to remain healthy during marching season.
The directors will determine length of water breaks. There are generally two types of water breaks: 1) "Sip-n-Go", where the students will run to the sideline, get a brief drink of water, then return to rehearsal; and 2) Extended water breaks, which may last up to ten minutes. There usually will only be one extended water break per rehearsal block.
- Students are trained by the directors to watch for signs of dehydration. Students should monitor their bodies to make sure they perspire heavily during rehearsal. Lack of perspiration is a sign of dehydration.
- Students should sit down immediately when feeling dizzy or weak. A staff member will help.
- During summer rehearsals, directors will constantly monitor the weather conditions and adjust as necessary for the safety of the students.
- Water will be provided by the booster club for students at games and competitions, as well as during portions of summer band rehearsal for refills.
