

I would like to a minute to thank all of the parents and grandparents in making the Ridge Point Golf Program a success. I honestly could not run this team without all of your support. I want to let the parents know that your children are a great group of kids and it makes doing my job awesome.

*Thank you for raising such awesome kids.
Thomas Cruickshank*

*To our golf team and graduating Seniors...
Wow has this year flown by. The banquet is always a bittersweet time for me. Sweet in the fact that I get to look back at the year and see the growth that has taken place. Bitter because I know it means that a few of us are moving onto the next step of our lives. To all of our Seniors: I know that RP has prepared you for what is to come, and I look forward to seeing you grow into great men and women. Congratulations on making it through High School and Best of Luck in the Future!*
