

I would like to a minute to thank all of the parents and grandparents in making the Ridge Point Golf Program a success. I honestly could not run this team without all of your support. I want to let the parents know that you have done a great job of raising such awesome young men and women!

To our golf team and our 29 graduating Seniors...

I say it every year, but this year has flown by. I hope that all of you have grown this year on the golf course, in the classroom and in friendship!

To all of our Seniors: I know that RP has prepared you for what is to come, and I look forward to seeing you grow into great men and women. Congratulations on making it through High School and Best of Luck in the Future!
