

Fort Bend ISD Mission Statement: FBISD exists to inspire and equip all students to pursue futures beyond what they can imagine.

Progressive High School Mission Statement: Progressive High School re-engages students through customized learning plans geared for graduation and beyond.

In an effort to achieve the District and Campus Mission, the Progressive High School Online Learning Lab is committed to the following goals:

- Promote learning as a life-long process.
- Strive for academic excellence.
- Cultivate a diverse and multicultural learning environment.
- Create a learning environment conducive for critical thinking.
- Provide innovative instruction to meet the needs of all learners.
- Allow students to take courses in a flexible manner to rejoin their cohort.
- Prepare students to be productive citizens.
- Establish a partnership with all stakeholders to ensure academic achievement.
- Assist students in setting, monitoring and achieving academic GOALS.

The **O-Lab** is designed to meet students at their learning level and give them exactly what they need to catch up, keep up, or get ahead.

Edgenuity is the Learning Management System used to help students:

- Obtain Original Course Credit
