

A vibrant illustration of a market scene. At the top, a string of colorful triangular bunting flags in red, yellow, green, and blue hangs across the frame. On the left, a man with dark skin, wearing a light blue short-sleeved shirt and a red apron, stands with his hands on his hips. He is positioned next to a yellow wooden stall with a light blue scalloped awning. On the stall, there are several bowls containing food, including what appears to be tamales. On the right, a woman with dark hair, wearing a light blue dress with a red and white patterned neckline and yellow shoes, stands with her right hand raised in a gesture. She is holding a large red woven shopping bag. Behind her is a stall with a red awning and a display of colorful flowers in red and green. The background is a plain light beige color.
